Move with Purpose,  
Live with Energy:  
Embrace the Kinetic Lifestyle

Embark on a sensory journey with Kore Design's specially designed child-friendly products, crafted to captivate and stimulate their senses. Infused with vibrant textures, our items are thoughtfully created to nurture sensory development, contributing to enhanced cognitive skills and emotional well-being in a playful and enriching manner.

Kore Design's Stackable Toddler Cot - Classroom Furniture in Blue

## Stackable Toddler Cot Round (40" x 23" x 7")

The stackable cot is a set of specially designed for toddlers. Crafted from heavy-duty plastic, these cots are stackable, allowing convenient storage when not in use. In a vibrant blue color, they are ideal for classrooms or daycare centers.

**Classroom Cots:** Providing a comfortable nap and rest space for children in childcare centers, daycares, or homes. These rest cots elevate children 7 inches off the floor, ensuring a cool, clean, and stable environment during nap time.

Made with Powder Coated Steel. Feature rounded edges for added safety; mesh fits tightly to the frame to help keep little fingers and toes protected

**Durable Construction:** Crafted with powder-coated steel poles, sturdy plastic corners, and heavy-duty, stretch-resistant breathable fabric, these rest cots are engineered for daily use in early childhood facilities, ensuring longevity.

**Space-Efficient Solution:** These cots are easily accessible for teachers and can be stored vertically to save valuable space in educational classrooms. They can be nested for convenient storage and safely stacked up to 20 cots high.

**Certified Safe:** Cots are CPSIA compliant for PVC and Phthalates and use environmentally safe fabrics.
