

Vented Lockers

VENTED LOCKERS - SINGLE TIER, DOUBLE TIER AND SIX TIER BOX STYLE

Constructed of 16 gauge steel, Salsbury 71000, 72000 and 76000 series vented lockers effectively combine visibility and maximum air flow with security and are ideal for dressing rooms, locker rooms and athletic clubs. Offered in a gray, tan or blue powder coated finish and as unassembled or assembled units, vented lockers have 12" wide doors and an overall height of six (6) feet (add 6" for legs). All vented lockers are available in 12", 15" and 18" depths. Sloping hoods, finished end panels, end bases, front bases, compartment shelves, fillers and lockers without legs are available as options upon request - see metal locker options and locks on pages 22-23.

All single tier vented lockers feature an adjustable hat shelf, three (3) single wall hooks and a double ceiling hook. The 18" deep single tier vented lockers also include a coat rod that can accommodate garments.
