INDUCTION HARDWARE

Built-in, flush to cabinetry
Sits level with the door fronts either side — no proud edge, no filler strip.

Digital inverter compressor
Holds temperature to a tight band and steps its own speed rather than cycling hard.

R600a refrigerant
A low-GWP hydrocarbon refrigerant in place of conventional HFCs.

Full-width LED lighting
Even light to the back of every shelf, with no lit panel taking usable volume.

One finish system
Stainless, Signature Black Stainless, Panel Ready, and Celestial Edition gold hardware.

Lifetime parts warranty
Parts covered for the life of the appliance, backed by the Restore & Renew refurbishment program.
