Installation steps		Q&A	
<p>10</p> 	<p>1. Q: After installation, I found that the roof of the dog cage has cracks and water seeps, what should I do? A: The cracks may be scratches caused by logistics. You can check whether the lower roof is cracked. If not, it can be used normally. If you find cracks, please contact us and we will replace it for you.</p> <p>2. Q: I found that the kennel always moves due to the movement of the dog inside, what should I do? A: Please note that the kennel has a function to prevent movement, there are ground nail of the dog cage, which could prevent the house from moving.</p>
