CARE AND SAFETY GUIDELINES

Rattan sofa sets aren't as difficult and high maintenance as other garden furniture. We suggest covering rattan furniture with our rain covers to prevent wear and tear and increase its life span. Upgrading to rattan furniture has so many advantages compared to other types of garden furniture and one of them is the fact that they're low-maintenance. All our PVC rattan furniture are water resistant for light rain.

Cleaning rattan furniture is as easy as one, two, three. Fill a bucket with warm water, fairy liquid and gently scrub the furniture with a cloth. This method would be ideal to pick up dust and liquid stains. We'd also suggest using a garden hose or jet wash to remove dirt and grime. We highly recommend using the lowest power on the jet wash at the far distance to prevent wear and tear.

For another simple yet cost effective method would be with a soft bristled brush to dust off any little bit sand pieces in between each weave. Cleaning rattan furniture every so often is important as dirt could accumulate and create bacteria.

Glass topped tables can be easily cleaned with cleaning products and newspaper to prevent line marks compared to a cloth.

All our cushions are waterproof and washable, it's recommended to hand wash cushion covers. Finally, we'd also highly recommend not to use any chemical substances on all rattan surfaces.
