

A black granite chest freezer is the central focus, positioned on a grey floor. To its right is a black metal shelving unit with various items: a blue toolbox on top, folded brown towels on the second shelf, a grey and orange jug on the third, and a yellow jug with a 'WATERPROOFING' label on the fourth. To the left of the freezer is a wooden workbench on a black metal frame. In the background, a window with a white frame looks out onto green foliage. The overall scene is a well-lit utility or storage room.
