Quality and Service Statement

We are committed to providing our customers superior quality and have implemented rigorous quality systems and processes to assure that our product is free of defects in materials and workmanship. Our quality does not stop after an order is shipped. We want to offer our customers the best service in the industry. For this purpose, this diagram depicts the repair parts associated to this item that are available for order.

When placing a repair parts order, please refer to the specific repair part number on this diagram. This will expedite the processing and shipping of your order. Alternatively, you may reference the item number and your invoice or acknowledgement number usually found on your invoice.

Thank you for choosing our furniture for your home furnishing purchase.
