

ASSEMBLY INSTRUCTION

DEAR CUSTOMER

Thank you for purchasing our product. Please read this assembly instruction carefully before assemble and use, and keep it for future reference.

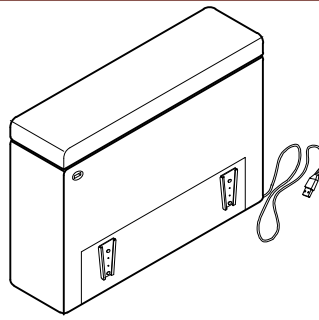

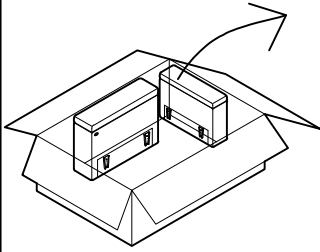

Tips:

1. Please check whether the outer packaging is intact before opening to avoid damage during transportation.
2. Assemble this product on a flat and clean surface to avoid scratching. It is recommended for one or two people to assemble.
3. After unpacking, please confirm in time all the parts and hardware are included. Please do not discard any packaging, if for any reason you need to return this product, it must be returned in its original packaging.
4. If you have any questions about the products, please send an email to AfterSales317@outlook.com !!!
5. Please keep small parts out of reach of children or pets to prevent them from swallowing.
6. Please read the installation steps in the Instruction carefully and follow the steps in the Instruction to assemble.
7. The compressed cushion may needs to wait about 72 hours to rebound. We recommend that you open the backpack and pat the cushion to facilitate quick rebound. If the folds are deep, they can be ironed with steam at 180°.
