

INSTALLATION GUIDE

Folding Sofa Bed

SIZE: M

Thank you for purchasing our Boneless Foam Chair.

To ensure the best experience and extend the service life of your sofa, please follow the care and use instructions below :

Recovery

Gently pat the entire surface of the chair and cushion to help the foam expand evenly.

Allow it to rest in a well-ventilated indoor area for up to 72 hours to fully expand to its complete form and optimal support.

Smooth the fabric with an iron.

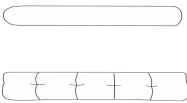

Care

Spot clean with a soft cloth dampened with a mild detergent solution. Air dry away from direct heat or sunlight. Do not machine wash.

To preserve foam integrity and fabric color, keep away from radiators, heaters, open flames, and direct sunlight.

Please maintain a dry and well-ventilated environment.
