BASKETBALL NET INSTALLATION STEPS

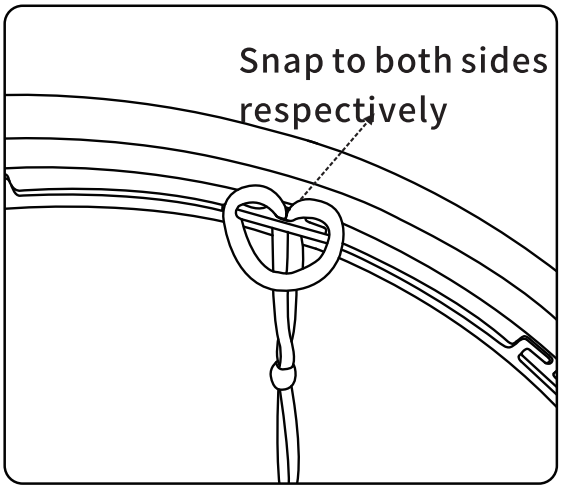

❶ Pick up one end of thebasketball net.

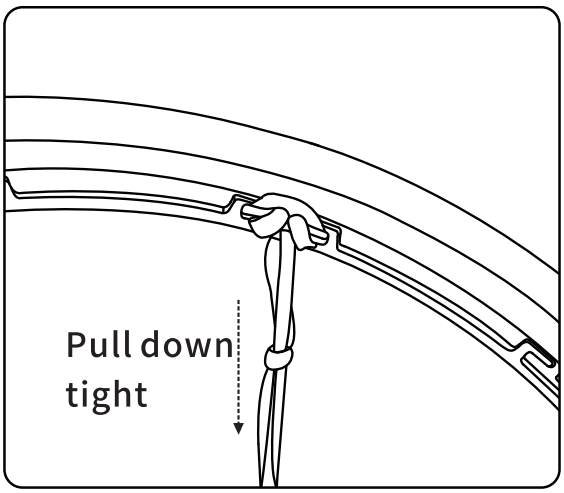

❷ Pass the basketball net through the middle of the basketball hoop hanging hole.

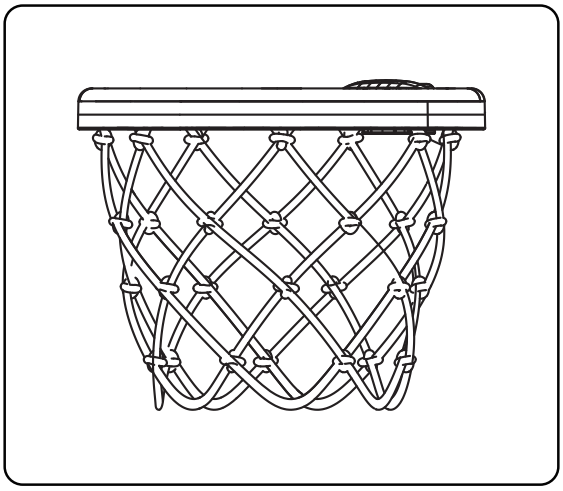

❸ Reserve enough passed parts to facilitate subsequent operations.

❹ Snap the basketball net into the grooves on both sides of the hanging hole.

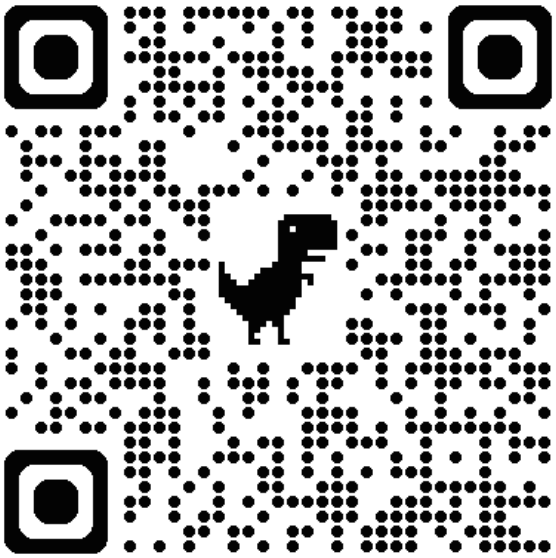

❺ Tighten the basketball net downwards so that the ropes passing through the hanging holes form a double knot.

❻ Use the same method to hang basketball nets in other directions to the corresponding holes.

Please scan the QR code below to view the installation guide!

THANK YOU

Thank you for purchasing the kid slide from our store. If you experience any problem while using it, please feel free to contact us. We will solve the problem for you quickly and provide the best customer service!
