

Technical drawing of a door with the following dimensions and features:

- Overall width: 36"
- Overall height: 36"
- Radius of the top arch: $R33\frac{3}{4}"$
- Width of the door opening: 29"
- Height of the door opening: $30\frac{13}{16}"$
- Thickness of the door frame (left and right): $3\frac{1}{2}"$
- Thickness of the door frame (top and bottom): $3\frac{1}{2}"$

A diagram of a rectangular piece of material, oriented vertically. The width is labeled as 1" at the top, and the height is labeled as 36" on the right side. The rectangle is divided into two sections: a light gray section at the top and a white section at the bottom.

A diagram of a window with horizontal blinds and a curved top. The window is shown from a perspective view, with the blinds closed. The top of the window frame is arched. The blinds consist of several horizontal slats. The window is set into a wall.
