All Accessories for Assembly

Application

It applies to cats that weigh less than 11.02 lbs and is suitable for homes, pet shops, living rooms, bedrooms, balconies, and other places where cats can interact and rest.

Notes

1. Please check the size carefully before ordering.
2. Please use a damp towel to gently wipe it off, and regularly clean the floating hairs to maintain cleanliness and dryness.
3. Please place the product in a safe location indoors and away from fragile or valuable items to prevent accidental damage.
4. If the product is scratched or damaged by the cat's paws, please repair or replace it before continuing to use it to avoid further harm to your cat.
5. Cats have a high level of vigilance toward new things. You can use their favorite toys to lure them a little, and they will quickly become familiar with and like this product.
6. Please do not expose the product to the sun or soak it in water for a long time.
7. It is recommended to place the cat nest against the wall and use the anti-tip kit (not included) to ensure the safety of your family members.
8. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
