STEP1

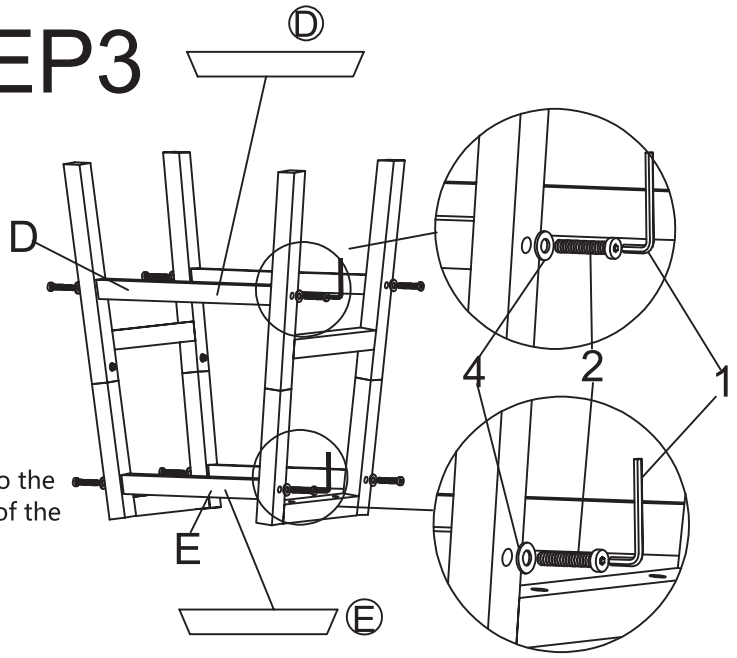

STEP2

STEP3

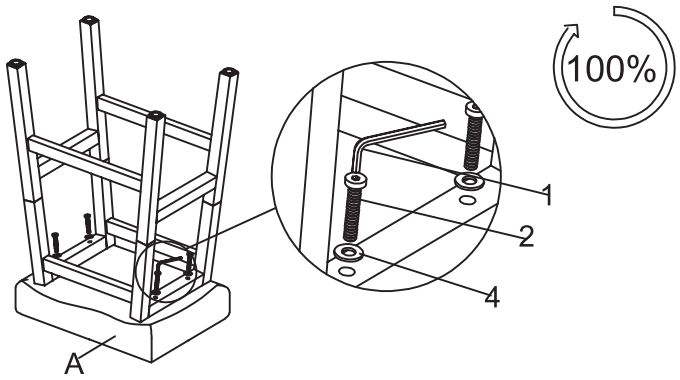

50%

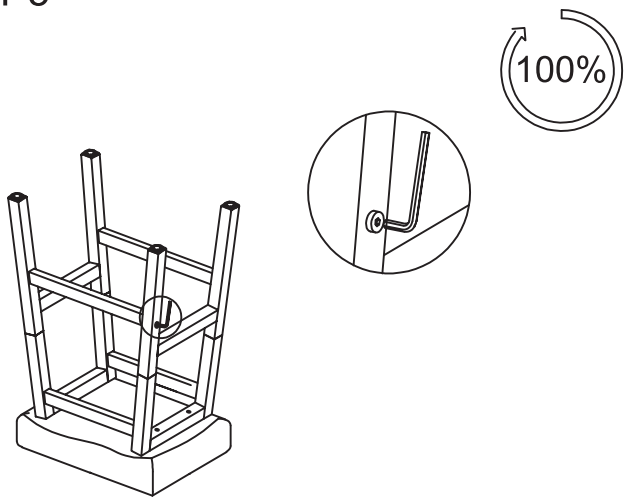

Pay attention to the inner position of the hole.

For ease of assembly,
each screw should be tightened to 50% first,
and then tightened to 100% together at the end.

General Guidelines

Please read the following instruction carefully and use the product accordingly. Please keep this manual and hand it over when you transfer the product. This summary may not include every detail of all variations and considered steps.
Please contact us when further information and help are needed.

Warnings

Children are not allowed to assemble the product. During assembly, keep all small parts out of the reach of children as they may be fatal if swallowed or inhaled.
Children are forbidden to climb or play on the product to avoid serious bodily injury caused by the toppling.
Keep plastic packing bags out of reach of children to avoid any potential danger, such as suffocation.

Notes

The product must be assembled and used in accordance with the provisions of the manual. Personal injury and/or damage to product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design. The seller does not assume any responsibility or liability with respect to any injury/damage caused by incorrect assembly or improper use.
If there are any defective or missing parts after unpacking, please cease assembly immediately and contact us.
Please assemble the item on a spacious surface and do not place the unwrapped product directly on the ground to avoid product damage.
Please do not stand or sit on the wooden boards.
Please match the corresponding part and fitting based on the part number in the manual.
If the part does not match with the fitting, please check the piece as specified in this manual.
During assembly, first loosely align all screws with the corresponding pre-drilled holes and then tighten the screws one by one.
Periodically inspect screw tightness while the product is in use. If necessary, retighten to ensure structural integrity.
If you accidentally spill water or another liquid on the surface, immediately wipe clean with a dry towel.
Please keep the product away from sharp, pointed objects and corrosive substances to prevent product damage.
Please place this item on level, solid ground during use.

If there is any damage after opening the box, or any problems during assembly, please contact us by E-mail as soon as possible. Our customer service team provides professional return service and assembly instruction.
