USER MANUAL

PRECAUTIONS FOR PRODUCT INSTALLATION AND USE

Package List

1 x Glass shade

1 x Lamp Base

1x Ceiling plate

1xMounting screws

1x screw pack

Important:

- All installation work should be done by accredited professional.
- Rated Voltage:AC85-265V/60Hz,using a power supply beyond the specified will cause damage to the lamp.
- Please cut off the power before installation, and connect the wires according to the correct polarity
- Please do not use chemical solvents to wipe the lamp body. It is recommended to wipe the surface of the lamp body with a cotton cloth dampened with a small amount of water
- It can only be used indoors
