A vanity that steals the show

About The Vanity: Elevate your bath by casting a superstar as its lead. The freestanding Marilyn 48" Woodgrain Vanity with Pure White Quartz Top and Ceramic Basin features a warm, wood-grain veneer finish and a genuine quartz countertop. A plywood case and solid-wood construction mean it's built to last. Plus, it provides essential storage with six spacious, soft-closing drawers with dovetail construction.

Undeniably timeless style for your bath

The Marilyn Vanity isn't just any vanity; it's a piece of midcentury-inspired furniture that will serve its function with grace. This statement-making collection has a glowing wood-grain veneer finish, with a continuous herringbone pattern on the face of its spacious, dovetail construction drawers. Available in four sizes, Marilyn's frame features mitered corners. It's topped with either a Carrara marble or quartz counter with a ceramic basin. The collection has so much style and beauty that it had to be named after the iconic film star.
