

1034D 3/4 Thread Serger with Differential Feed

- Two needles and 3-4 thread
- Differential fabric feed for better stitch quality
- Up to 1300 stitches per minute

Designed for finishing the edges and hems of a wide range of fabrics, including formal wear, linens and stretchy fabrics, and for creating ruffles and decorative edges, the Brother 1034D Serger is the perfect addition to any sewing room. This reliable, easy to learn and use 3 / 4 thread serger features 22 built-in stitch functions, and snap-on, interchangeable creative feet. Stitch options include 4 thread overlock, 3 thread overlock, narrow hem, rolled hem, and ribbon lock stitches. With its differential fabric feed, the 1034D helps you achieve better stitch quality, for a more even, professional finish, even on very thin or stretchy fabrics. Threading is easy, with the color-coded upper thread guides and lower looper threading system. Plus, the included snap-on presser feet allow for quick and easy changes to transition to each desired stitch. To help you get started, the 1034D includes an instructional video, and a complete, printed instructional manual in English and Spanish.

Accessory Storage	Yes	• Two needles and 3-4 thread
Adjustable Presser Foot Pressure	Yes	• Versatile stitch options allow you to choose from 4 thread overlock, 3 thread overlock, narrow hem, rolled hem, and ribbon lock stitches.
