INTRODUCTION

Thank you for purchasing our product. Please read the instructions carefully before installation and keep it in a safe place for future reference. If you need any assistance or support, please feel free to contact our customer support team.

PRECAUTIONS

1. There are many components and accessories in the package. Each component and accessory is labeled with a letter or a number. Check carefully before using any of them. Keep them away from children to prevent accidents.

2. Please install the product on a clean and soft underlay (such as carpet or cardboard) to avoid scratching or damaging the surface of the product.

3. The main components of the product are relatively heavy. Please pay attention to safety during installation.

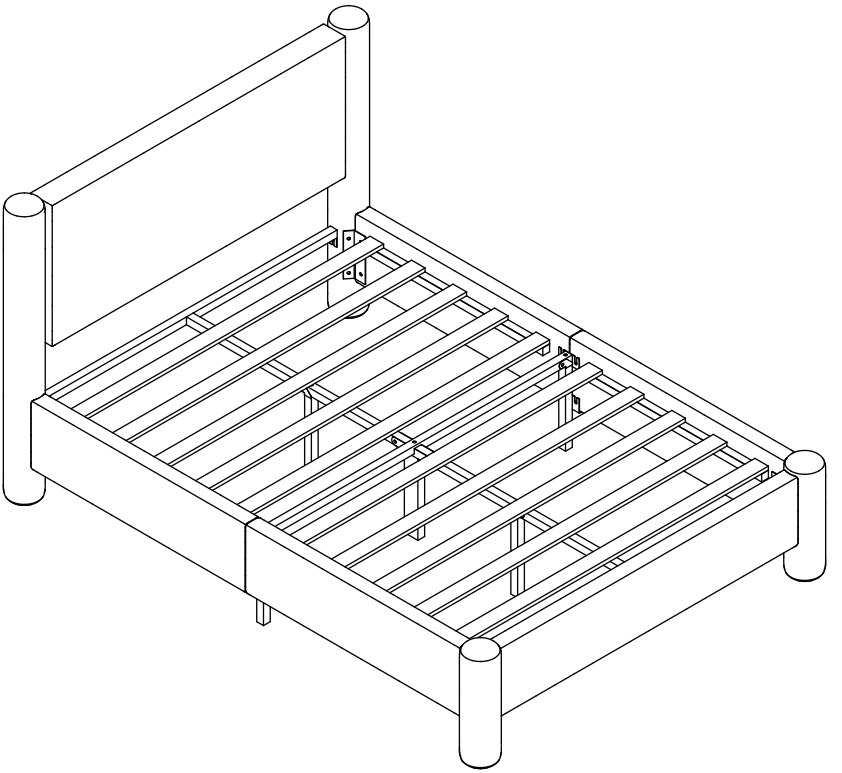

4. The product is not stable during installation. Please do not move it randomly before it is completely installed.

5. If you have any questions during installation, please contact the customer service in time.

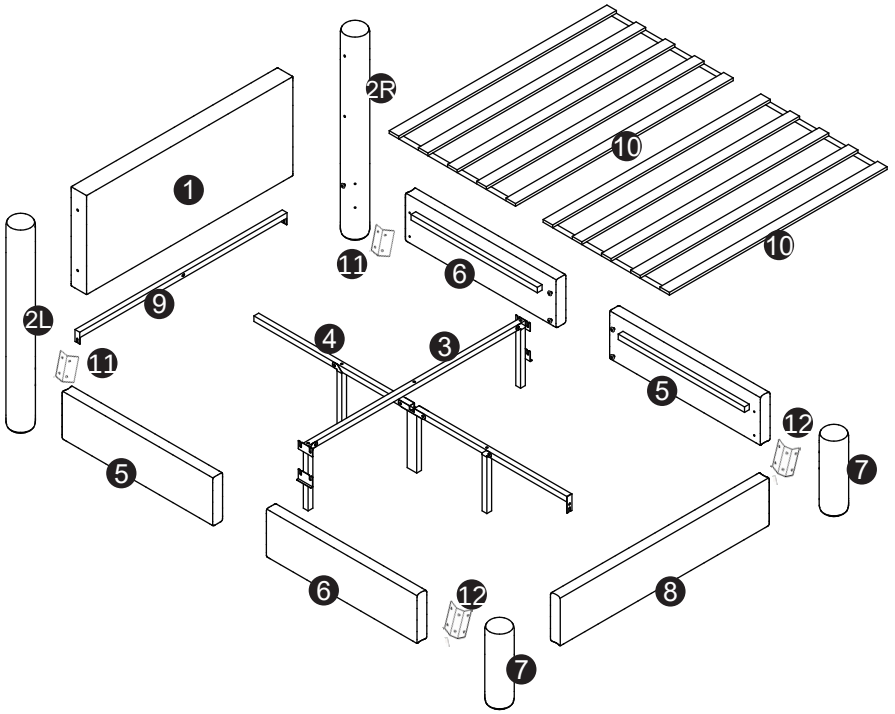

*** PLEASE BE SURE TO FOLLOW THE INSTALLATION STEPS IN THE MANUAL TO AVOID UNNECCESSARY LOSSES CAUSED BY IMPROPER INSTALLATION.**

*** IF YOU NEED FURTHER ASSISTANCE, PLEASE CONTACT THE CUSTOMER SERVICE ONLINE.**

FREQUENTLY ASKED QUESTIONS

Q What should I do if I receive a broken/defective item?

A Each order is carefully checked and packed before shipping. If the item is broken /damaged, please contact our customer service immediately.

Q Is it difficult to assemble this bed frame?

A Assembly is straightforward, and all the accessories are labelled, making it very clear.

Q Does the bed frame come with the essential hardware, tools & instructions?

A Yes. All you need to assemble is well-packaged and shipped in one box.

Q Does it require a box spring?

A No box spring is needed. The bed frame comes with strong slats that provide support for the mattress.

Q Why are the holes on the bed frame misaligned, and why won't the screws go in?

A When assembling this bed frame, avoid over-tightening the screws initially. Start by screwing them in about 70% of the way. Once you've completed the entire assembly, you can then fully tighten all the screws.

If you need further assistance, please call us or email us. We will be pleased to answer any questions you may have.
