step 1 –Cut the air-compressed bags

This series is made entirely from air-compressed foam. The sofa may feel too soft or under-inflated immediately after unpacking. Please allow at least **72** hours for the foam to fully expand and regain its intended shape and firmness before use.

step 2 – Attach Velcro and place the pillows

Each carton includes a piece of felt fabric. Attach it to the Velcro strips at the bottom of the sofa to connect the individual modules together. If you are using a single sofa module and do not need to combine multiple pieces, this felt fabric is not required.

Place the pillows (H) on it.

step 3 —Put on the cover.

NOTICE

The product requires at least **72 HOURS** to return to its original shape after being removed from the air compression bag.

The restore period is **IMPORTANT** for the product please try not to use it while restoring.

You can cover the product with the Dust Cover when not use.
