① 2 pcs

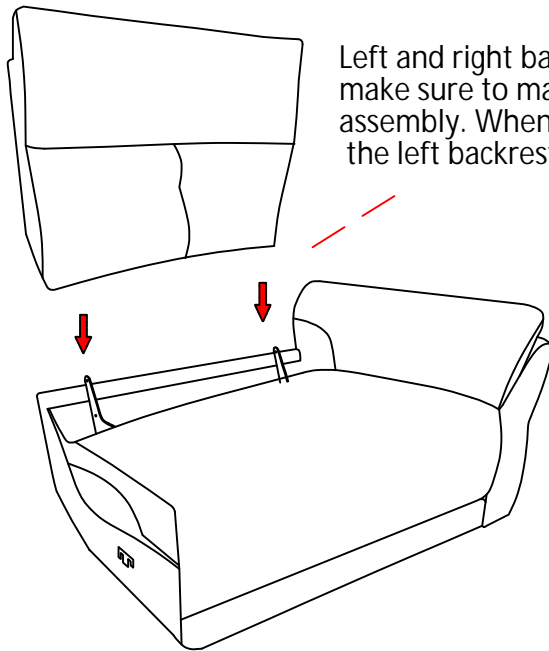

② 4 pcs

③ 8 pcs

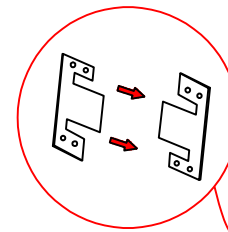

④ 8 pcs

Left and right backrests are different —  
make sure to match them correctly during  
assembly. When installing the left side, use  
the left backrest.

3

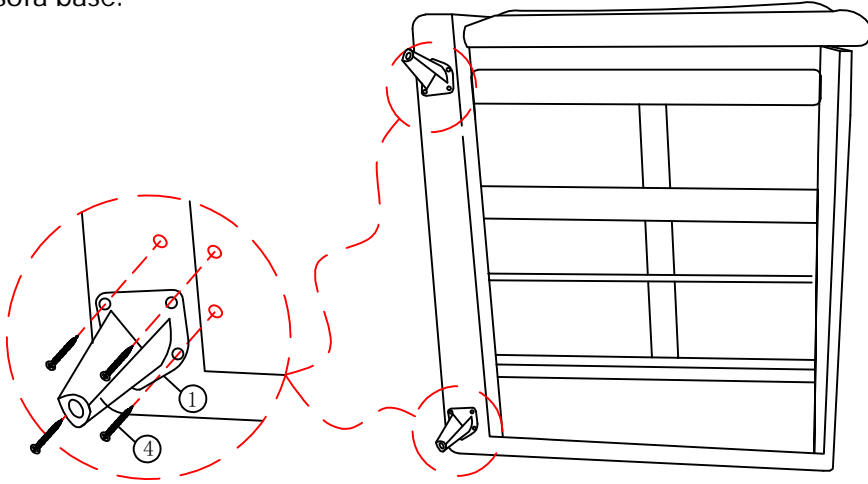

Attach the left backrest to the corresponding position.

4

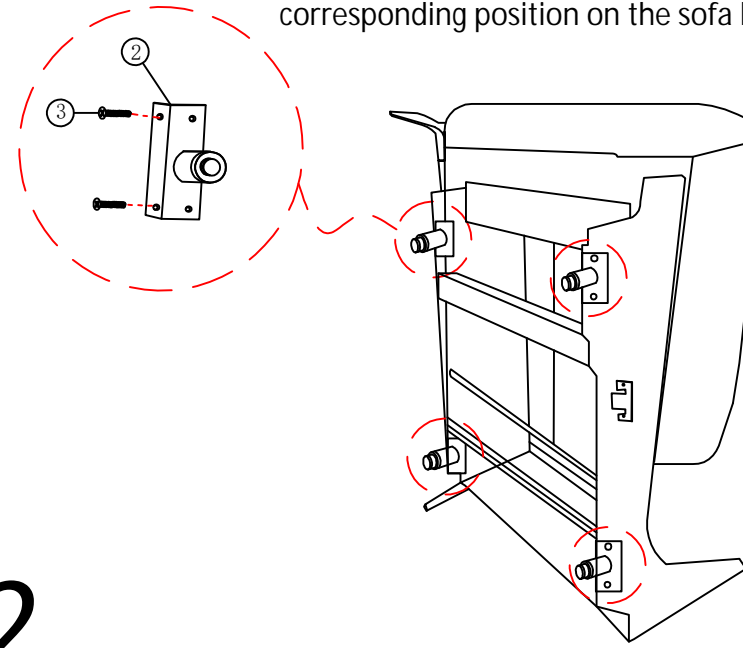

This catch is used to connect the two sofa seats.

Install the right position first:  
Use #4 (screws) to install #1 (sofa legs) to the corresponding position on the sofa base.

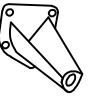

1

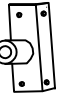

Use #3 (screws) to install #2 (sofa legs) to the corresponding position on the sofa base.

2

① 2 pcs

② 4 pcs

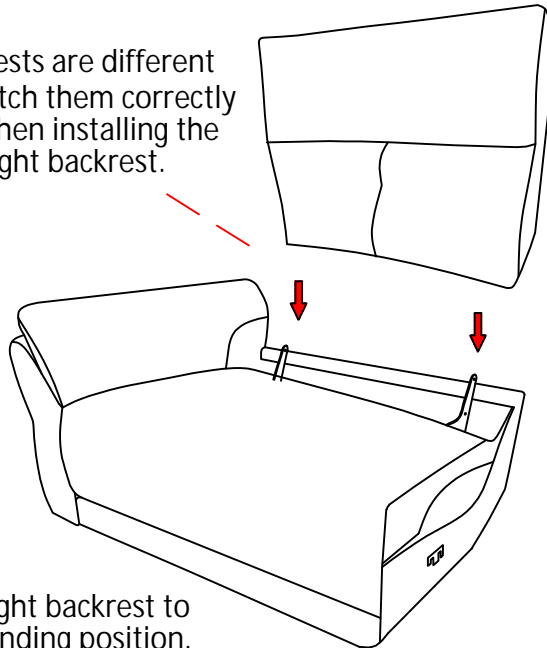

③ 8 pcs

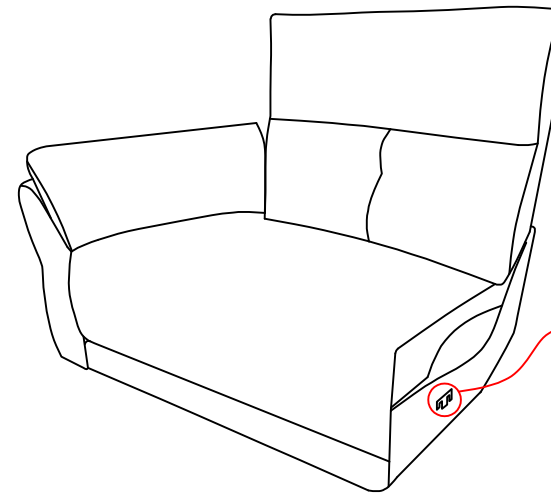

④ 8 pcs

Left and right backrests are different  
— make sure to match them correctly  
during assembly. When installing the  
right side, use the right backrest.

3

Attach the right backrest to  
the corresponding position.

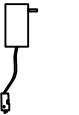

4

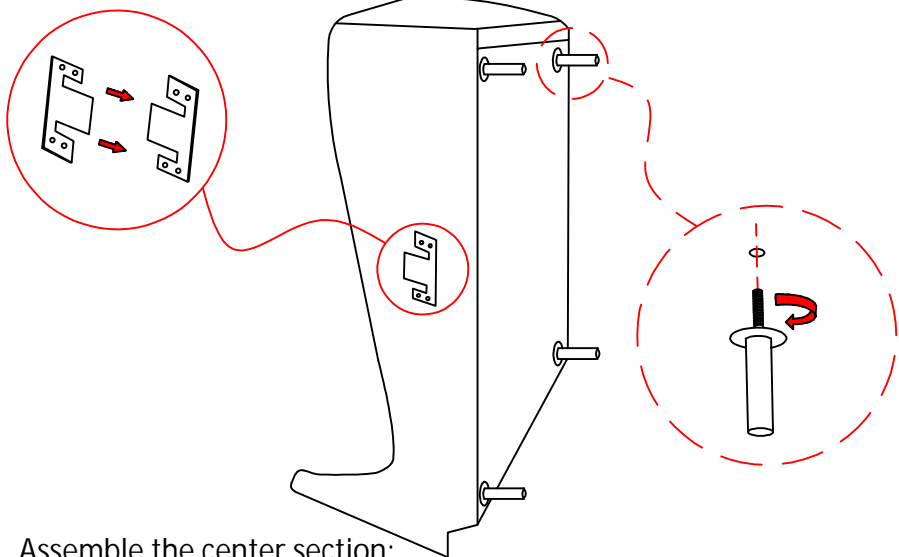

This catch is used to connect the two sofa seats.

⑤ 1 pcs

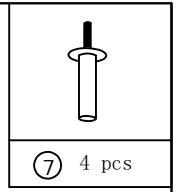

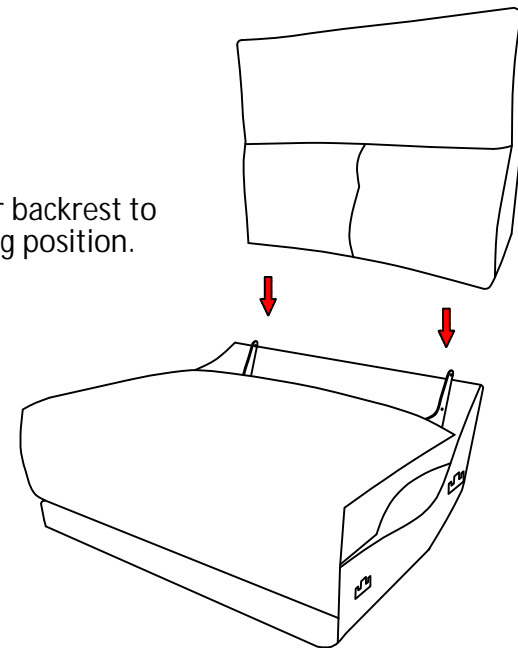

⑥ 1 pcs

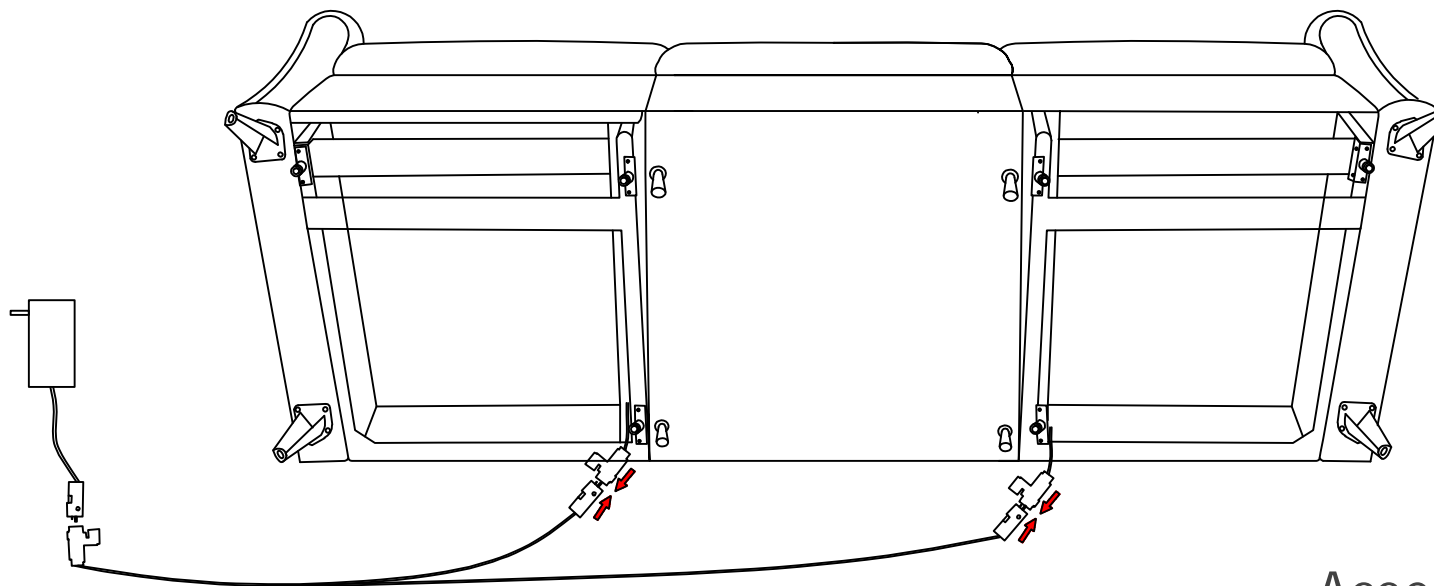

**1** Assemble the center section:  
Attach #7 (sofa foot) to the corresponding position on the bottom of the center sofa unit.

Attach the center backrest to the corresponding position.

**2**

This power cord for a 3-seater sofa has one main plug that splits into two connectors (or ends), which plug into the power sockets on the left and right seats.

**3**

Assembly complete!
