## All Angles 2

D2780S55585-4687

The second of a four-part series, All Angles 2 features hard-edge abstraction, a style recognized for its expansive, solid fields of color delineated by sharp boundaries. Originating in the mid-20th century, this artistic approach is born out here through its meticulous precision and absence of discernible brush strokes. The artwork emphasizes minimalist geometric figures set against a singular-toned striped background. Its deep color spectrum in midnight blue, dusty blue, Prussian blue, and mocha underscores the hard edges but also infuses the piece with depth and dynamism. Dynamic and aesthetically pleasing, All Angles 2 is an alluring addition to ART by TA.
