# I. SAFETY GUIDELINES

## WARNING

For your own safety, please strictly follow the instructions in this manual, otherwise personal injury may result!

**Before you proceed, please read the following safety precautions:**

- Separate and count all parts and hardware.
- Install not less than 6 feet from any obstruction such as fence, garage, house, overhanging branches, laundry lines, or electrical wires.
- Tighten all nuts and bolts securely.  
Never use power tools or excessive force during assembly and tightening of bolts.
- Always place the product on a flat, steady and stable surface.
- It is recommended to protect in case of strong wind or rain and in your absence.
- Do not use candles, matches, or any open flames in or near the swing.

# II. MAINTENANCE

- Wash frame parts and fabric with mild soap and water, rinse thoroughly.
- Dry frame completely and allow the fabric to drip dry.
- Do not use bleach, acid, or other solvents on the fabric or frame parts.
- Please inspect and tighten all bolts or fasteners on a regular basis to ensure proper performance and safety of your swing.
