

# Instruction Manual

## Instructions for Use:

1. Plug the lamp into a household power outlet (ensure voltage is 110V);
2. Gently press the switch button on the power cord to turn the light on/off;
3. Adjust the bracket angle slightly to flexibly direct the light.

## Precautions:

1. Do not use in damp or high-temperature environments (such as bathrooms or near heat sources) to prevent electrical malfunctions;
2. Before cleaning, disconnect the power supply. Wipe the surface with a dry, soft cloth. Do not directly rinse the lampshade or bracket with water;
3. Avoid violent impacts or drops to prevent damage to the acrylic lampshade or deformation of the metal bracket;
4. When not in use for extended periods, disconnect the power supply and store in a dry, well-ventilated area.
