

TRUNK

PARTS LIST & HARDWARE

 (A) Lid Trunk (1 pc)	 (C) Legs (4 pcs)	 (E) Dowel (4 pcs)
 (B) Body Trunk (1 pc)	 (D) JCBC (4 pcs)	 (F) Allen Key (1 pc)

STEP 1

This diagram shows the body trunk (B) with four legs (C) being attached to its bottom corners. Dowels (E) are being inserted into the legs. A JCBC (D) is being attached to the top edge of the body trunk. An Allen key (F) is shown being used to tighten the JCBC.

STEP 2

This diagram shows the lid trunk (A) being placed on top of the body trunk (B). The lid is shown being lowered onto the body.
