Whole View

Parts Details

Step 1

Fix the front and back panels

Don't treat it too rudely when assembling it

Step 2

Fix the side panels

Step 3

Fix the lid to back panel, 3 bolts and 2 keepers

It needs a great force to install these accessories

Step 4

Fix the wheels

The wheels can't be used until the box is raised to a certain degree

The wheels should be inserted slantwise. Please insert the bottom edge into the groove of the wheels frames

Please click the 2 holes on the frame exactly with the plugs of the bottom panel

Return Policy

1. For any quality or non-quality problems, you can contact our customer service on Amazon first. We will provide timely reply and solutions for you.
2. For any quality problems, we can provide a free return for you.
3. For any non-quality reasons, such as "no longer needed, bought by mistake" and so on, we may charge you some shipping fee when receiving the returned items.
