Assembly Guide

Swivel Chair

Following these steps can save you up to 50% of your assembly time.

I ’ m delighted to assist you.

Before starting assembly, please check the parts list to ensure all components and accessories are complete.

If you find any missing parts or encounter any issues during assembly, don ’ t hesitate to contact me.

Please Read Carefully Before Installation

After-Sales Service Guidelines

Dear Customer,
Thank you for your support!

PLEASE DO NOT RETURN TO THE STORE!

For Missing or Damaged Parts:
Please do not rush to return the product. If any parts are missing or damaged, we will provide free replacements. Kindly share your order number or details to assist with processing.

For Combo or Set Products:
If you purchased a combo or set, the packages might arrive at different times. For detailed tracking information, feel free to contact us.

Return Policy and Shipping Fee Responsibility

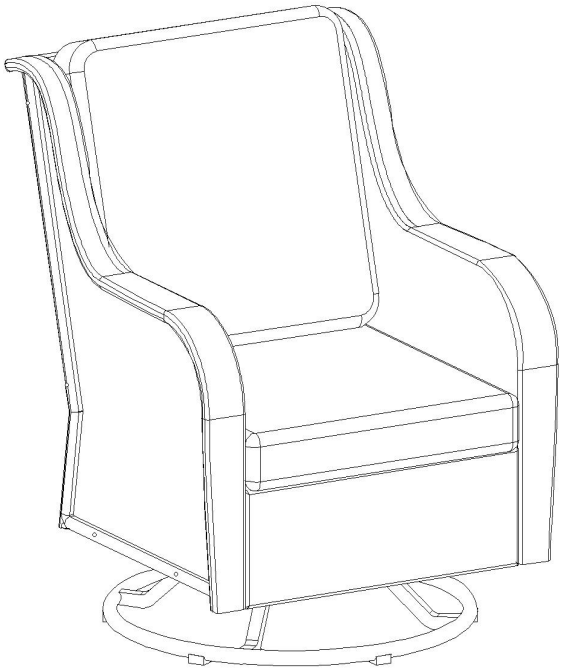

Seller Covers Shipping Fees in the Following Cases:
1.The product was damaged during shipping or has missing parts.
2.You received the wrong item.
3.The product has functional issues.
4.There are other quality-related problems.

Customer Covers Shipping Fees in the Following Cases:
1.You no longer like or need the product.
2.The order was canceled after the product was shipped.
3.You purchased the wrong item or bought extra units, and the product was delivered.
4.The shipping address provided was incorrect, but the item was delivered to the destination.
5.The product was damaged due to human error.

Note:
Returns are accepted within 30 days for unused and unopened items. Returned items must remain in brand-new condition with intact packaging. For returns due to customer-related reasons, the return shipping fee will be deducted from the order amount.

For any questions, please feel free to contact our customer service team.

Swivel Chair

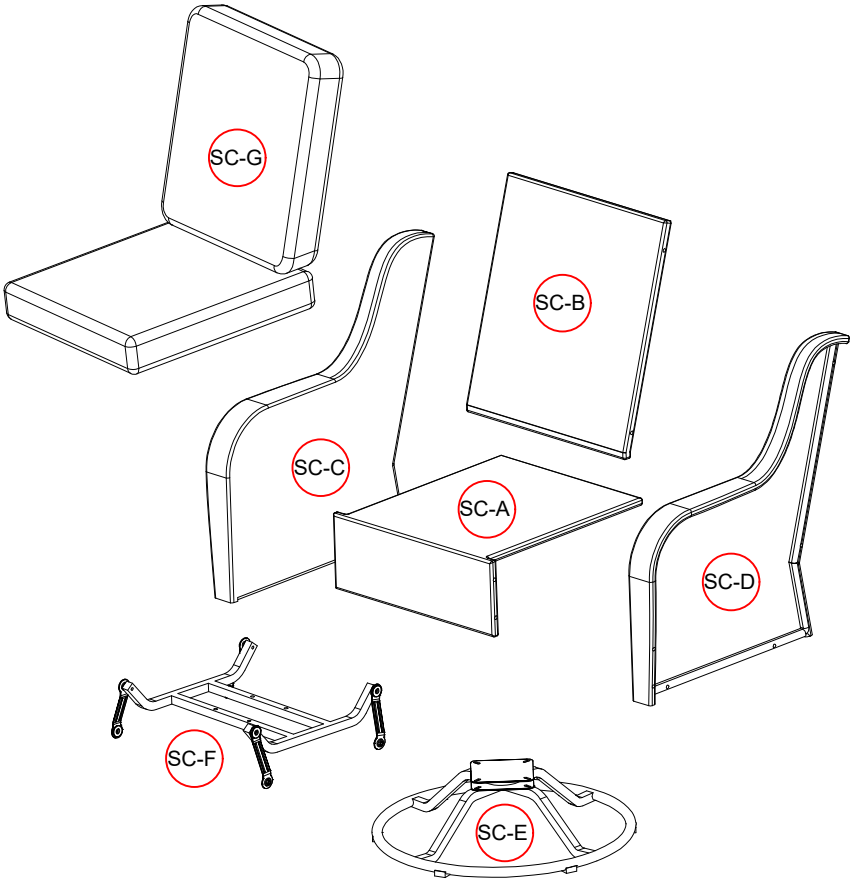

Special Attention: Do Not Tighten the Screws Immediately! First, secure all screws to about 80% tightness. Ensure all screw holes are properly aligned before fully tightening each screw to avoid installation errors
