

INSTALLATION INSTRUCTION

Cautions:

Installation should be carried out by professionals. When cleaning and installing, please remember to cut off the power supply.

Appearance :

The diagram illustrates the installation of your new luminary. This is a representative drawing and is not intended to match the style of your luminary.

Instruction Sheet :

1. Carefully unpack the shade and lamp base from the carton.
2. Place the lamp base on a level surface.
3. Take off the "ring" on the lamp base, put the lampshade on it, and then put the "ring" back in accordance with it.
4. Install Bulb.
