*Actual runtime may vary depending on usage and environment.

High Brightness
6-8 hours

Medium Brightness
10-14 hours

Low Brightness
18-24+ hours

Charging Guide

Charging Time: 3-5 hours

Use 5V/2A Adapter for Faster Charging

Fully charge before first use

Important Notes

Battery life varies depending on brightness level.

It is normal for the lamp to feel slightly warm during use or charging.

This lamp is designed for ambient lighting, not continuous high-intensity lighting.

Care, Safety & Helpful Tips

1

Important Precautions

For indoor dry locations only.

Place on a stable, flat surface.

Keep away from water, fire, and high heat.

Do not cover the lampshade while in use.

Do not disassemble or modify the lamp.

2

Cleaning & Maintenance

Turn off the lamp before cleaning.

Wipe with a soft, dry cloth only.

Do not use alcohol, corrosive cleaners, or water spray.

Handle the base and fabric shade gently to avoid damage.

3

Helpful Tips Before Return

Slight variations in marble pattern are normal.

The lampshade color may look slightly different under different room lighting.

Please keep the touch area clean and dry for better response.

If the product arrives with any issue, please contact customer support for assistance.

Indoor Use

Soft Cloth Only
