

Thank you for purchasing this product. This product has been manufactured with the highest standards of safety and quality.

Installation Tips for mounting your wall decor:

- Please read these instructions before installation.
- Do not discard any packing material until you have checked that you have all the parts and hardware and that the wall decor has no damage or defects.
- Depending on the weight of the wall decor (or mirror), you may want to mount it to a wall stud.
- The hardware included is a wall insert (drywall anchor) and screw.
- To ensure secure installation, it is advised that all screws be tightened by hand before hanging the wall decor item.
- We recommend a periodic check on all screws to ensure they are secure and not loose.
- Keep hardware out of children's reach.

Hardware included:

Wall insert:

Screw:

How to use the wall anchor system:
