YOUR WARRANTY

Terms and Conditions of the Dyson 5 year warranty.

If you have registered your unit online, your warranty will start from the date of purchase. Please retain your proof of purchase. If you do not have your proof of purchase, your warranty will start 90 days after the date of manufacture, according to Dyson’s records.

This warranty will be void if the unit is installed and used in a country outside the one in which it was sold.

WHAT IS COVERED

5 YEAR WARRANTY

All factory parts of your Dyson hand dryer are warranted against original defects in materials and workmanship when used in accordance with the owner’s manual and installation guide for a period of 5 years from the start of your warranty. Please call the Dyson helpline for more information.

Where Dyson determines that the main body assembly needs replacement, Dyson will send a replacement to be fitted by the customer on site. The customer will need to return any defective parts to Dyson using the pre-paid postage box provided.

Any replaced parts must be returned to Dyson or an administration fee will be levied.

Where a filter change is required, Dyson will provide a filter change kit to be installed on site by the customer.

- Any parts which are returned and replaced by Dyson will become the property of Dyson.
- The replacement of any part of your unit under warranty will not extend the period of warranty.
- The warranty provides benefits which are additional to and do not affect any statutory rights you may have as a consumer.
