Christina Tabletop Clock 645690

TABLE CLOCK: The Christina Table Clock features a 9-inch glass dome with metal and brass-finished plastic base, and triple crown finial to complement your decor. The pendulum includes four beautiful revolving synthetic crystals. The clock's movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more.

HIGH QUALITY: This classic design is a home essential. Easily tell time with circular spun silver numeral ring with embossed center design, black Roman numerals, open fret cut diamond hands, and a brass-tone bezel to stand out over a two-tone satin brass-finished dial.

MOVEMENT: It is powered by quartz movement and requires three AA sized batteries. The traditional Roman numerals feature IIII instead of IV.
