Product Features

- **Ultra-Quiet DC Motor:** Energy-efficient alloy steel DC motor with a long service life, ensuring powerful and silent air movement. Noise level is less than 35 decibels, providing a serene sleeping environment.
- **Remote-Controlled Convenience:** The ceiling fan comes with a remote control, offering 6 wind speeds, timer adjustment, and reversible blade design for year-round comfort.
- **Upgraded 3 Color LED Change Light:** Experience the latest in lighting technology with intelligent dimmable LED. The 18W color temperature is fully adjustable, providing ambient lighting that's closer to the real and original color of the object. Smart memory technology ensures the fan retains the last light setting, offering convenience and efficiency.
- **Ideal for Various Spaces:** Perfect for medium to large-sized indoor rooms such as bedrooms, living rooms, dining areas, offices, as well as outdoor spaces like covered porches and patios.
