

Kindly Note:

**Default we will ship 240W (240W/200W/150W Adjustable) 5000K daylight
Led shoebox with Slip fitter Photocell**

Free shipping by UPS receive within 3-5 working days

【Efficiency & Brightness】The parking lot light efficiency is up to 150lm/w which means 240W can output 36000Lm, greater area coverage for outdoor area lighting needs. 5000K color temperature of lighting is a nice choice for street light illumination. LED area light CRI is over 80

【Safety & Saving】The parking light has passed UL & DLC certification, UL Certified products ensure better quality, safety and reliability. It can save up to 80% electric bill compared with old shoebox fixtures, 960w replacement with this 240W Parking Lot Light Pole. It also offers lower maintenance cost

【Industrial Grade Material】The use of aluminum material provides strong protection and durability for the heat while ensuring heat dissipation. The radiator adopts a hollow design to increase the heat dissipation surface, accelerate the air flow, take away more heat, protect the chip, 60,000hrs rated lifespan

【IP65 Waterproof & T3 Lens】IP65-rated waterproof housing and IP67-rated weatherproof driver for all weather conditions. The LED pole lights designed with T3 lens which is the best lighting solution for roadway lighting. Anti-shock, anti-moisture, no glare, no strobe light, no ghosting, protecting your eyes

【Easy Installation & Widely Use】LED Parking Lot Light with an adjustable slip fitter mount designed to fit on standard circular poles. The LED shoebox light can be angled up or down depending on if you are mounting vertical or horizontal. Ideal for parking lot, basketball court, parks, tennis court, stadium, roadways and general illumination of large areas

【Dusk to Dawn Photocell】The LED Street Light Outdoor is designed with a sensitive photocell sensor which can automatically turn on at dusk and turn off at dawn to help users save electricity, no more manually switch needed

★★★ Specifications:

- Rated Wattage: 240W
- Luminous Flux: 36000Lm
- Input Voltage : AC100-277V
- Photocell included: Yes
- Color Temperature: 5000K Daylight
- Replacement: 960W HPS/HID
- Protection Grade: IP65 Waterproof
- LED Type : SMD3030
- Material : Die-casting Aluminum + PC
- Beam Angle: TYPEIII 80X150degree
- Working temperature: -29°F -113°F
- Efficiency of power supply > 0.9

- Installation: Slip fitter Mount
- Average Lifetime : More than 50000 hours
- Limited Warranty: 5 Years

Package include: 1pcs x 240w led shoebox light 5000K with Slip fitter Bracket
Photocell

- Please note that the light can not be used IN the water.
- Please confirm the wire connection is right while installing.
