Application

This product is suitable for bedrooms, study, living rooms, children's rooms, game rooms, etc. It can organize files, papers, books, picture books, art supplies, textbooks, notebooks, magazines, CDs and so on. It can also be used as a porch or sofa divider, which is both aesthetically pleasing and provides more privacy.

Notes

1. Please note the size before purchasing.
2. Please note that this product should not be exposed to the sun or immersed in water as this will damage the product.
3. Children are not allowed to climb on the product or play with it.
4. Put the screws in loosely until all pieces are together and then tighten them all. It will save your time if you make a mistake when installing.
5. Please note that this product does not include books and other display items.
6. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
