

CORRECT

INCORRECT

INSTALLATION ALERT

Correct Alignment of Armrests ③ & ④

- 1 Please ensure Left Armrest ③ and Right Armrest ④ are oriented correctly when attaching to the seat board.
- 2 In the **CORRECT** setup, the rear end of the armrest must maintain a specific distance from the rear edge of the seat board.
- 3 Avoid inverse installation.

***NOTICE:**

Please scan or refer to the Electronic User Manual on the product page for complete step-by-step guidance.
