

Effortlessly secure your TV to posts or pillars with the ZZTVA2044 outdoor TV mount. It offers a complete 360-degree range of motion and incorporates innovative SLOTGRIP TECHNOLOGY, ensuring a secure hold on posts or pillars of any shape, eliminating the need for drilling. The built-in polymer pads safeguard surfaces during installation.

Designed for outdoor use, this TV mount is coated with electrostatic paint and assembled with rust-resistant stainless steel screws. Its versatility allows for both landscape and portrait positioning. The heavy-duty polymer strap boasts an impressive 1500lbs break strength.
