

Installation Steps

1. Move the cushion aside. Find the slipcover with tag "BACK", align "BACK" with the RIGHT side seam of chair back.

1

2. Drape it over the entire wing chair. Adjust the slipcover to fit the arms of wing chair smoothly.

2

3. Move on the cushion with respective slipcover and put it back to wing back chair.

3

4

4. Tuck the excessive fabric into the crevices of chair back and seat cushion. Pull and tug the slipcover until it fits the wing chair.
