Outdoor Furniture

We are a professional furniture provider with top-notch factories and outstanding designs, Our mission is to provide consumers with new lifestyles. By collecting consumer feedback, we constantly improve our products and create more choices for consumers. If you want to create your space, We are an ideal choice.

Always.

WARNING

1. Two or more people are required for assembly.
2. A ladder and electric drill may be necessary.
3. Do not erect the structure in heavy winds or inclement weather.
4. Do not leave up this unit for extended periods of time, as it is not a permanent structure or designed to withstand sustained wind or rain. It is a temporary, portable shelter that shields you from sunlight and rain. The screens also block flying insects.
5. Do not use candles, matches, or any open flames near the tent.
6. To better align the screws for practical situations, do not fully tighten screws initially.
7. Professional installation is highly recommended

WARNING

- In case of windy weather, please do not stand in the gazebo.
- Please do not stand under the gazebo in case of heavy snowfall.
- For safety, please use expansion screws to reinforce the posts to the ground.
- In windy weather, please tighten the fence and netting to avoid tearing in high winds.
- In extreme weather conditions, you can use a rope to pull the four corners of the gazebo to keep it stable.
- Please clear the snow off the roof in time for the heavy snowfall.
- Make sure all screws are tightened before use.
- Repeat to confirm all screws, buckles and straps every 90 days.
- Please keep all screws loose during the assembly process and tighten them after completing the installation.
- Do not use or store next to a pole with an open flame or flammable chemicals.
- Please note that some parts have sharp edges and should be handled with gloves.
- If any parts are missing, broken, damaged or worn, discontinue use of the product until repairs are made or factory replacement parts are installed.
- Installation of the product in a manner that does not conform to the manufacturer's instructions may result in the loss of the warranty policy for this product.
- Consult your local authorities to check if permits are required to erect the shed .
