GENERAL INFORMATION

Your new sofa set is made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your sofa set clean. For best results, clean with a soft, damp cloth. If you use furniture covers, always make sure the sofa set is clean and completely dry before covering, as mold may form in dark, wet places. Remove cushions prior to covering and store them in a dry, temperature controlled place. Check the connectors on your sofa set regularly to make sure it is secure.

The weight limit for one seat of the sofa set is 220 lbs.

SAFETY INFORMATION

WARNING

DO NOT stand or allow children to stand on the assembled product. Make sure connectors are securely in place. Perform periodic checks to make sure the connectors are secure and adjust if needed.

CAUTION

READ all instructions before beginning assembly. Failure to do so may result in faulty assembly and potential injury. Assemble the item on a soft, non-abrasive surface such as carpet or cardboard to avoid damaging the item.
