

ASSEMBLY INSTRUCTIONS

table, chair & sofa legs

Locating and Creating Opening for Legs

- A** Locate the metal screw openings under black screen with your finger-tips. You are feeling for four small impressions.

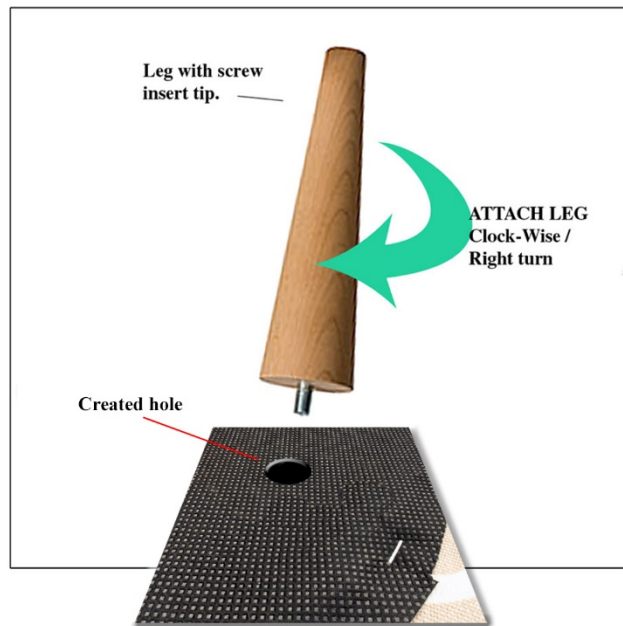

- B** Once located, use a pointed item (screwdriver, knife, pen etc.) to make a circular holes. You should have four (4) openings created.

- C** Now that you have holes in the black screen made, you can screw-in the wooden legs into each hole.

Legs are placed inside zipper.
Please check thoroughly.
