

Ovente 1.7L Cleo Collection Electric Kettle with Boil-Dry Protection and Auto Shut-Off (KS755 Series)

Key Features

INNOVATIVE FEATURES – As one of the leading brands in kitchenware technology, Ovente would like to introduce this premium-quality electric kettle with cool-touch handle; 360-degree rotary base and built-in cord storage; 1500-watt heating element; large, easy-to-read water gauge; illuminated power switch; and auto shut-off feature.

304 STAINLESS STEEL – Made with a non-magnetic material that exhibits high resistance to corrosion and oxidation, making it perfect for use in premium kitchenware!

LARGE CAPACITY – Perfect for parties, this kettle's 1.7-liter capacity makes it ideal for serving many guests.

BOIL-DRY PROTECTION – Wait comfortably or have a chat with your friends because this kettle automatically shuts off after reaching boiling point so no worries of it overheating.

LIMITED 2-YEAR WARRANTY – We back all our kettles with a two (2)-year warranty from the date of purchase from an authorized retailer. This covers defects in workmanship and materials. It does not include damage due to abuse, misuse, commercial use, accidents or natural wear and tear. Please note you must provide proof of purchase to request a repair or replacement.
