IMPORTANT CONSUMER INFORMATION

Care and Cleaning

-  Remark: Do not stand or place heavy objects on the seat cover.

Do not open/close the seat cover using excessive force. (Doing so may cause crack.).

Do not expose the product to direct sunlight.

- Clean the outside surface of your toilet seat with mild soap and warm water. Wipe the entire surface completely dry with a clean, soft cloth. You may use soft abrasive cleaners when necessary to clean your toilet seat. Do not use strong abrasive cleaners, as they will scratch and dull the surface. Wipe any surfaces of cleaner solutions from plastic or plated surfaces immediately.
- The toilet seat may be completely removed for a complete cleaning. Refer to the "Toilet Seat Operation" section for detailed information.
