

Assembly Instructions

CAUTION: You must read these Assembly Instructions before you proceed.

Care & Maintenance

-  Not for commercial use. For residential use only.
-  Prolonged exposure to rain may cause rusting which can stain floors.
-  Do not put hot items directly on furniture surface.
-  Do not clean furniture with harsh cleansers or polish.
-   To obtain the longest lifespan of your outdoor products, minimizing exposure to direct sunlight is recommended.
-  Children should not climb or jump on the furniture.
-  Do not write on furniture without a padded barrier to protect the surface.
-   To obtain the longest lifespan of your outdoor products, avoid extended and lengthy exposure to rain, snow, and direct sunshine. Whenever possible cover the product and /or place under patio or awnings.
-  Stains may be removed with mild soap solution and damp cloth.
-   Keep away from sources of ignition.
-   Dust and pick-up spills using a clean, non-colored, lint-free cloth.

Please look underneath the Bench Top for hardware packs.

Bench

CAUTION: This Bench is NOT a TOY.
Keep your child/children at bay during the assembly process.
Whenever moving/lifting the Bench and to prevent damage to the Bench, two adults are needed to execute these actions.

Parts List

Label	Picture	Description	QTY
A		Bench Top	1
B		Support Bar	1
C		Left Leg Panel	1
D		Right Leg Panel	1
E		Middle Leg Panel	1

Hardware

Label	Picture	Description	QTY
①		Screw (M4x45mm)	3
②		Screw (M4x30mm)	2
③		Bolt (M6x45mm)	7
④		Allen Wrench (K4)	2
⑤		Screwdrivers (not provided)	1

Assembly Preparation

Before Beginning Assembly:

- Read instructions, cover to cover.

- Have 2 adults on hand for assembly.

- Do not assemble on flooring or carpet.

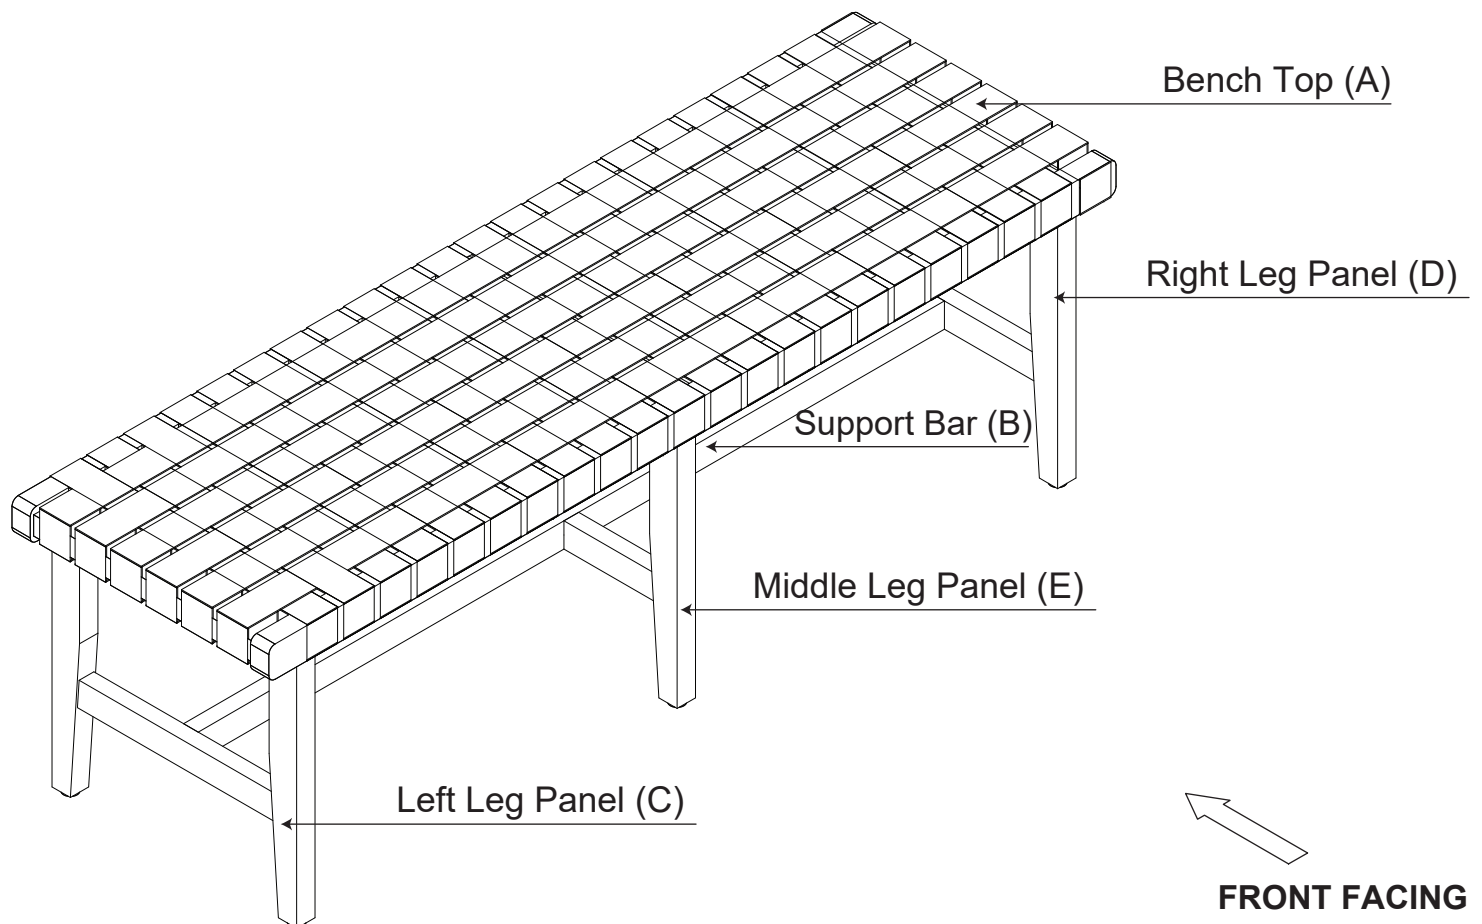

- Assemble on a clean non-marring surface (packing foam).

- Save all packaging until finished.

Assembly Steps

Overview

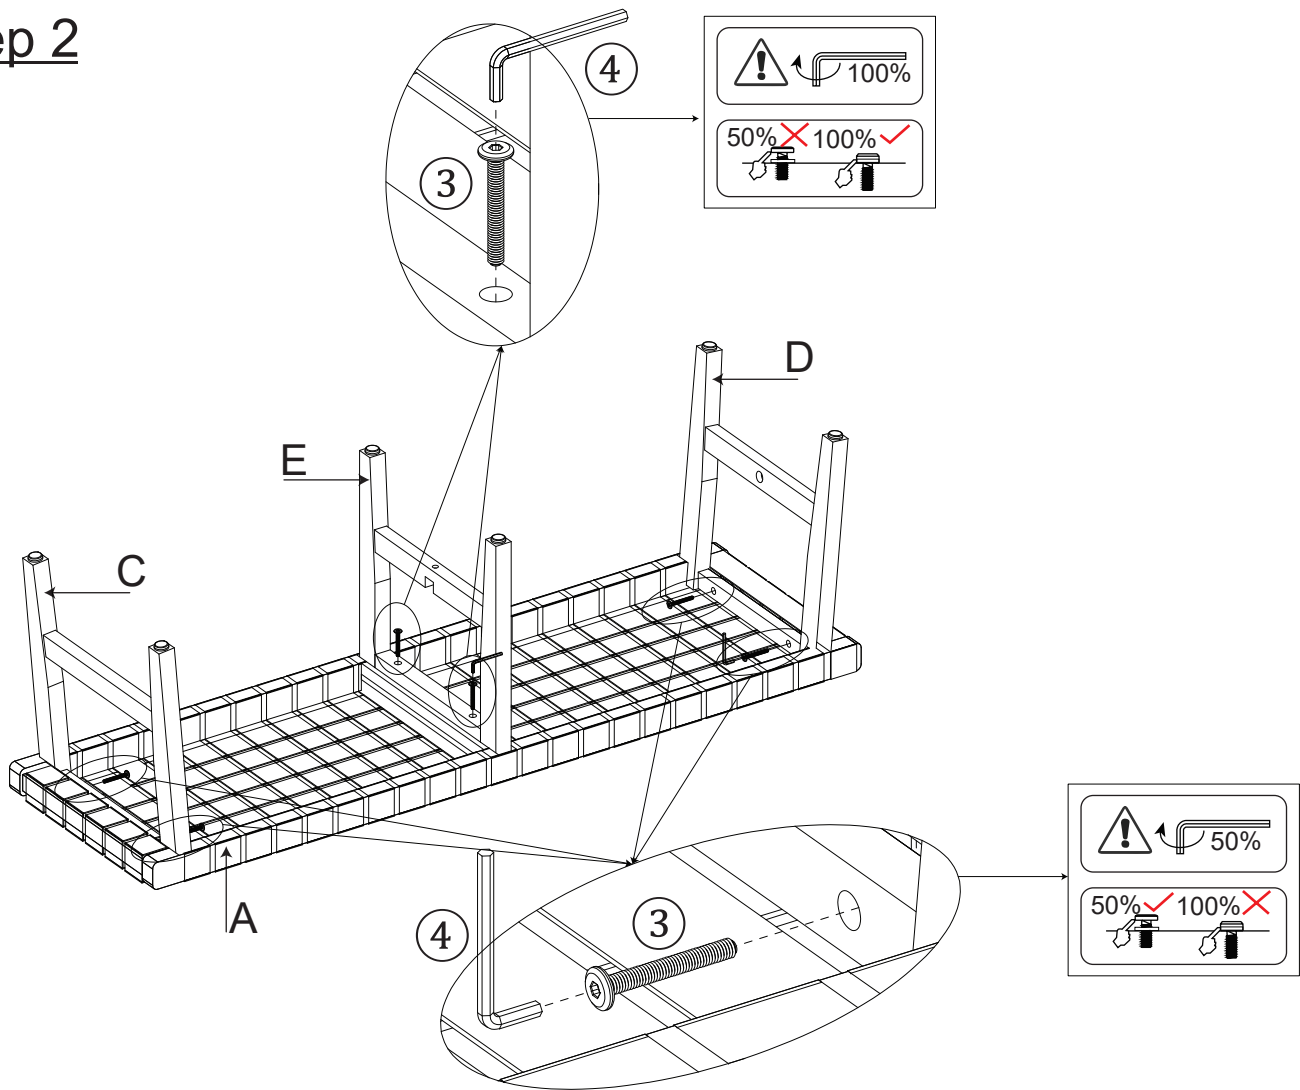

This Bench has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Bench parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

Unpack and place all parts on a clean, non-marring surface.

Step 2

Place the Bench Top (A), Left Leg Panel (C), Right Leg Panel (D), Middle Leg Panel (E) face down on a non-marring surface. With the help of your adult partner, attach the Left Leg Panel (C), Right Leg Panel (D), Middle Leg Panel (E) to the Bench Top (A) using Bolts (3) and the Allen Wrench (4) as shown above. **Do not fully tighten the Bolts.**

Step 3

Attach the Support Bar (B) to the assembled part from Step 2 using the Screw (1), (2) and the Screwdrivers (not provided) (4) as shown above. **Do not fully tighten the Screws.**

Step 4

Secure the Bolts (3) on the Bench Top (A), Left Leg Panel (C) and Right Leg Panel (D) using the Allen Wrench (4) as shown above.

Step 5

Turn the Bench upright carefully and place the Bench onto a flat, level surface. Then EXERT pressure floorwards onto the Bench with both hands. This pressure will help the Bench reach full alignment at all joints. In a sequential manner, gradually tighten all Bolts at all joints until evenly secured.

Inspect the Bench and make sure all parts are adequately connected. Adjust the Levelers until the Bench is level with the ground.

To adjust the Levelers, get assistance from an adult partner to lift/lean and hold the Bench while you are working.

Your Bench is ready for use.

This Bench can only be used on a flat, level surface.

Questions & Answers about Proposition 65

- What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 also prohibits California businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

- What types of chemicals are on the Proposition 65 list?

The list contains a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust.

- What does a warning mean?

If a warning is placed on a product label or posted or distributed at a workplace, a business, or in rental housing, the business issuing the warning is aware or believes that it is exposing individuals to one or more listed chemicals.

By law, a warning must be given for listed chemicals unless the exposure is low enough to pose no significant risk of cancer or is significantly below levels observed to cause birth defects or other reproductive harm.

- Where can I get more information on Proposition 65?

If you have specific questions on the administration or implementation of Proposition 65, you can contact OEHHA's Proposition 65 program at P65.Questions@oehha.ca.gov, or by phone at (916) 445-6900.
