## Double Induction Cooktop

The Double Induction Cooktop offers the ultimate in cooking flexibility, adding two induction burners to any kitchen, or any place without a kitchen! Induction technology offers an exceptional cooking experience, with instant heat-up and consistent, precise heat throughout cooking. Each burner has its own heat setting control, 150-minute timer and On/Off switch. The smooth glass surface looks sleek and wipes clean. It's ideal for entertaining and holidays when cooking for a crowd. And its compact and portable size makes it ideal for small spaces without a kitchen, such as dorm rooms, boats, patios or RVs. This is a versatile and powerful tool that's a great addition to any kitchen – big or small!

- Induction technology for fast heat-up and consistent heat throughout cooking
- Dual heat settings: 8 settings on the left burner, 5 settings on the right burner
- Individual 150-minute timers and ON/OFF switches for each burner
- Throws off less heat so kitchens stay cooler
- Heat turns off 30 seconds after pot or pan is removed
- Sleek design with black glass that wipes clean easily
- Compact and portable with low profile silhouette
- Limited 3-year warranty
