ASSEMBLY GUIDE

Congratulations, you are now the owner of the new chair!

Before enjoying the comfortable chair, you have to assemble it. This assembly guide will take you through the basic assembly process. To make sure your assembly progress goes smoothly, please follow the assembly instructions **especially the important safety information.**

It is possible to assemble the chair by your own, while having **a second person to help you will make it easier.**

Please check if there are any missing parts in the package before start. If there are any issues, please don't hesitate to drop us an email and we'll help you ASAP.

If you run into any difficulty during the assembly, remember to check out the assembly Video to see if you've missed something. If you're still unable to resolve your problems, drop us an email and our support team will assist you.

WARNING

To ensure proper assembly, please follow all steps and use all parts. Failure to follow this warning can result in serious injury to yourself or others.
