

91 – Hall Bookcase

Parts:

- A. One Main Body
- B. One Top Piece
- C. One Bottom Piece
- D. Twelve 1 ¼" Screws
- E. Six 1" Screws
- F. Nine Flush Plugs **(FOR TOP ONLY – BOTTOM WILL NOT HAVE PLUGS)**

Instructions:

To attach the top and the bottom, follow the pattern on the underside of each piece, to line up against the body of the piece.

There should be a ¾" overhang on both the outside edges as well as on the front side.

(continued...)

Use the 1 ¼" screws on the outside 6 holes of both top and bottom pieces.

Use the 1" screws on the middle 3 holes of both top and bottom pieces.

Use a hammer to lightly tap in the flush plugs to cover up the screws.
