

Assembly Instruction

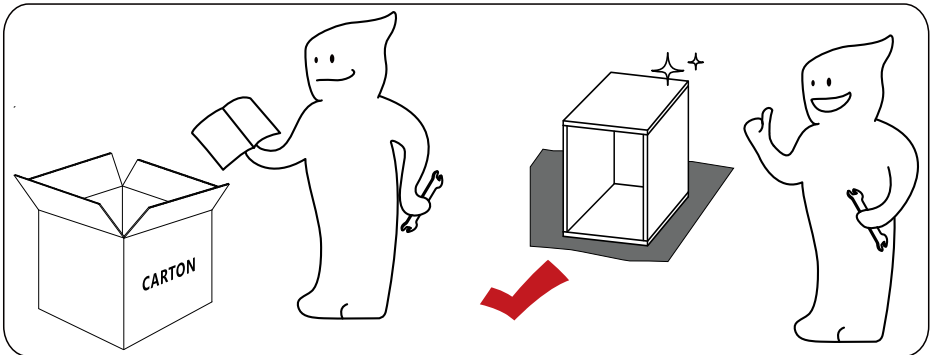

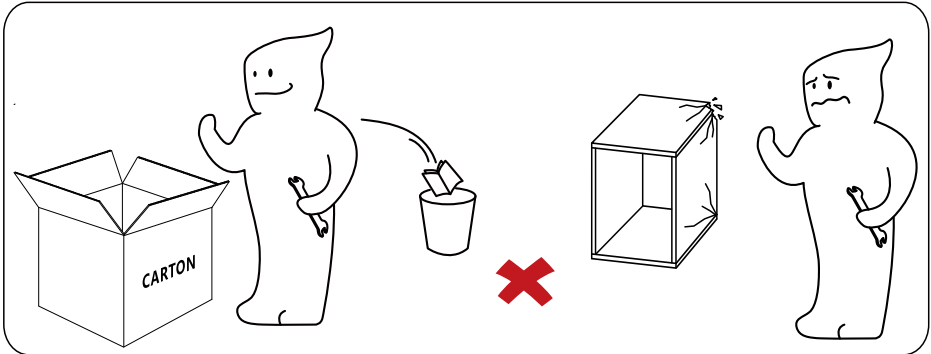

Please check that you have all the parts listed before you start assembling, if you do find that something is missing, do not continue assembly, please contact us immediately.

NOTE: Please do not completely tighten all the hardware until the entire assembly is complete!

! IMPORTANT

Please follow the instruction manuals and use a pad to protect the product during your assembly.

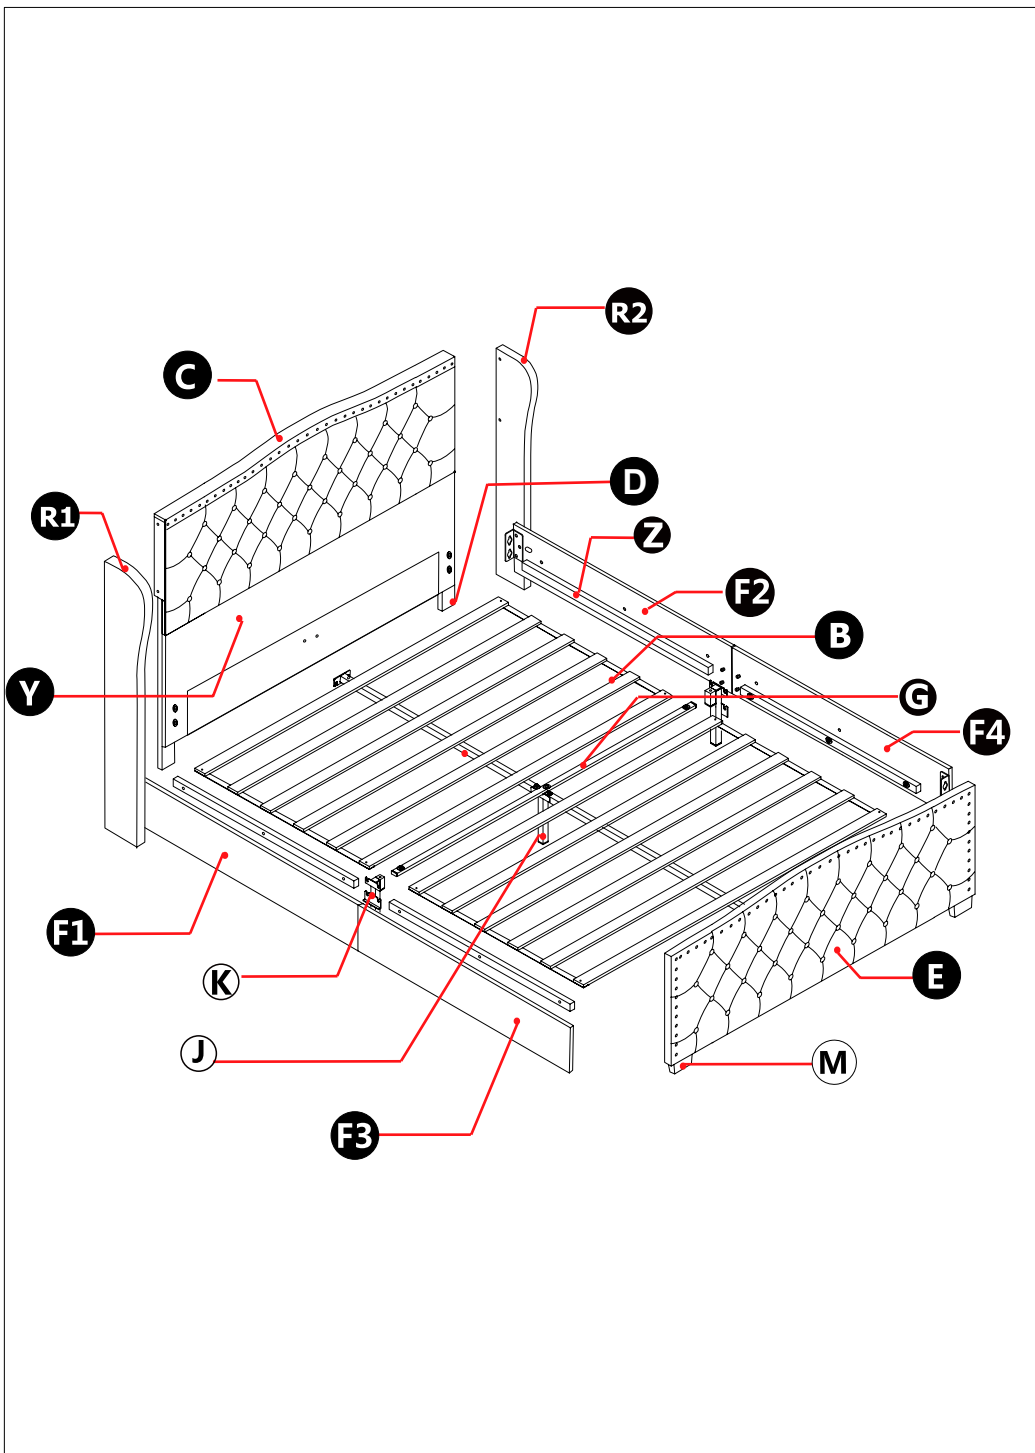

Note:

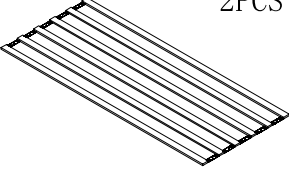

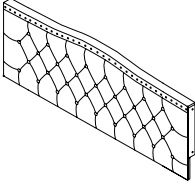

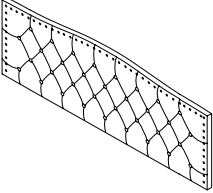

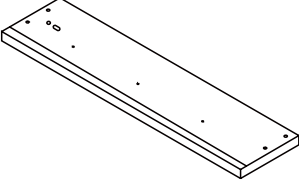

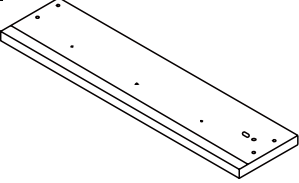

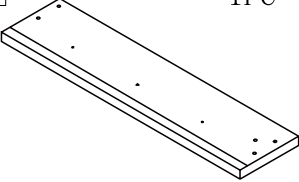

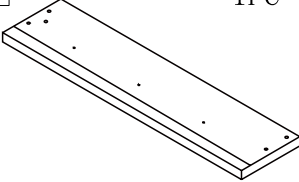

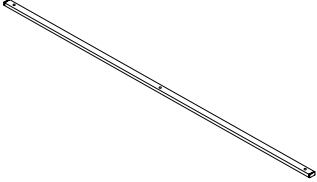

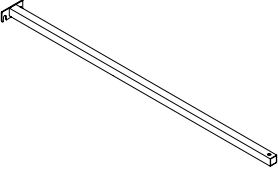

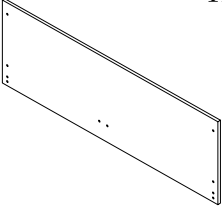

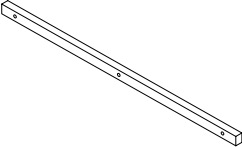

1. Should be assembled on flat ground to keep balance.
2. Before completing the installation, do not tighten the screws.

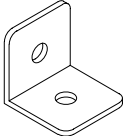

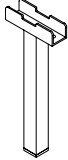

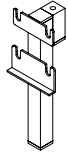

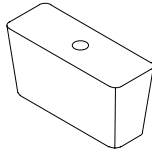

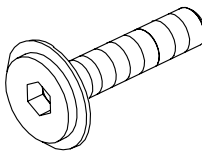

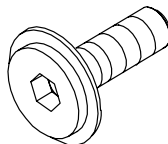

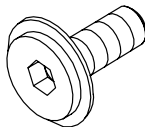

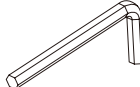

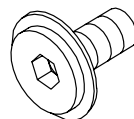

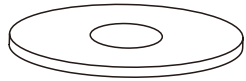

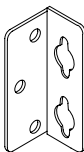

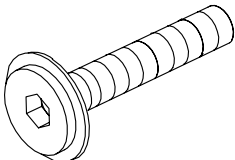

For easier and better assembly, **2** or more adults are required.
