Before you start...

Ensure you have received all cartons and familiarize yourself with the workload. Make sure there are enough helping hands to assist you, and that you have allocated the time required to assemble your new product.

Make sure you have cleared enough space in your home for the assembly. We recommend protecting your floor with a mat or cardboard to avoid scratches during the assembly process.

Read instructions carefully and check no parts are missing.

Lay out all hardware on a soft surface so you can easily identify them.

Carefully identify all components in order to differentiate which pieces are left and right.

Install your new product carefully following the instructions. Don't skip ahead!

DO NOT over tighten screws or use a drill. It will damage the product.

If you need further assistance with assembling your Mopio product, please chat with us at www.mopio.com#chat.

Anti-tip Kit

To prevent injury and property damage from unexpected tipping of furniture, we highly recommend installation of the anti-tip kit included with this product.

Check periodically the screw and change the screw position if it start to lose.

Fasten Wall Tipping (P) to Top Panel with Screws (Q). With help, move the product into position.

Mark fixing hole on wall and remove product. Where necessary, drill holes and mount hardware.

Reposition product and fix using hardware recommended.

Please seek professional advice if unsure of wall constructions.

Properly fixing furniture to your wall will depend on the wall material: concrete, drywall, masonry, or wood will require the appropriate hardware.

Wall anchor is not provided, please source the right wall anchor according to the wall type.

Please consult with your local hardware store to ensure you are using the correct hardware for your wall type.

This anti-tip kit is not a substitute for proper adult supervision. This anti-tip kit may provide protection against tipping furniture.

Teach and do not allow children to climb on furniture or drawers. Always keep the heavy load at the bottom of the drawer. Do not put toys or objects on the top of dresser that can attract children to climb.

By installing anti-tip kit, you acknowledge that you are fully aware of the safety requirement and accept to adhere to it. Illustrations in this guide are for reference only and may be slightly **different** from the actual object.

Remove the protective film.
