Applicable Area: 10-15m²/107.64-161.46ft²

Package Included

1* 3-heads Pendant Light
1* English Manual
All Accessories for Installation

Notes

1. Please read the manual carefully before use and pay attention to the safety precautions mentioned therein. After opening the box, please check all the parts and accessories.
2. Please make sure that the power supply has been cut off before installation. Please install it by a licensed electrician if you are not good at installation, and the lamp body should avoid hitting hard objects or falling to the ground.
3. Please note that the bulbs and switch are not included in the package, and it requires 3*E26 bulbs. Besides, the product can support dimming, but you need to prepare dimmable bulbs and switches separately. Please note that this product only supports E26 bulbs and does not support energy-saving bulbs, G4, G9, E12, E14, GU10, etc.
4. Please use it in a dry environment. Please wipe it with a soft, damp cloth, and avoid using harsh chemicals and abrasives as they may damage the finish. Please do not exceed the specified wattage.
5. Please note that the cords will take a few days to straighten out after hanging. The glass is fragile, if it is damaged

during transportation, please contact us for a replacement.

6. Please note that this item can only be installed on flat ceilings.
7. In order to achieve a better installation effect, we suggest that the length of each hanging wire should be different.
8. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
