## Installation Guide

- 1 Coffee table top component
- 2 Coffee table leg component
- 3 Wood bracket for securing the connection between tabletop and table legs

## Accessories List

Open the package and verify all listed parts are included.

Desktop \* 1pc

Wooden block \* 2pcs

Table Leg \* 2pcs

Parts List

Bolt \* 12pcs

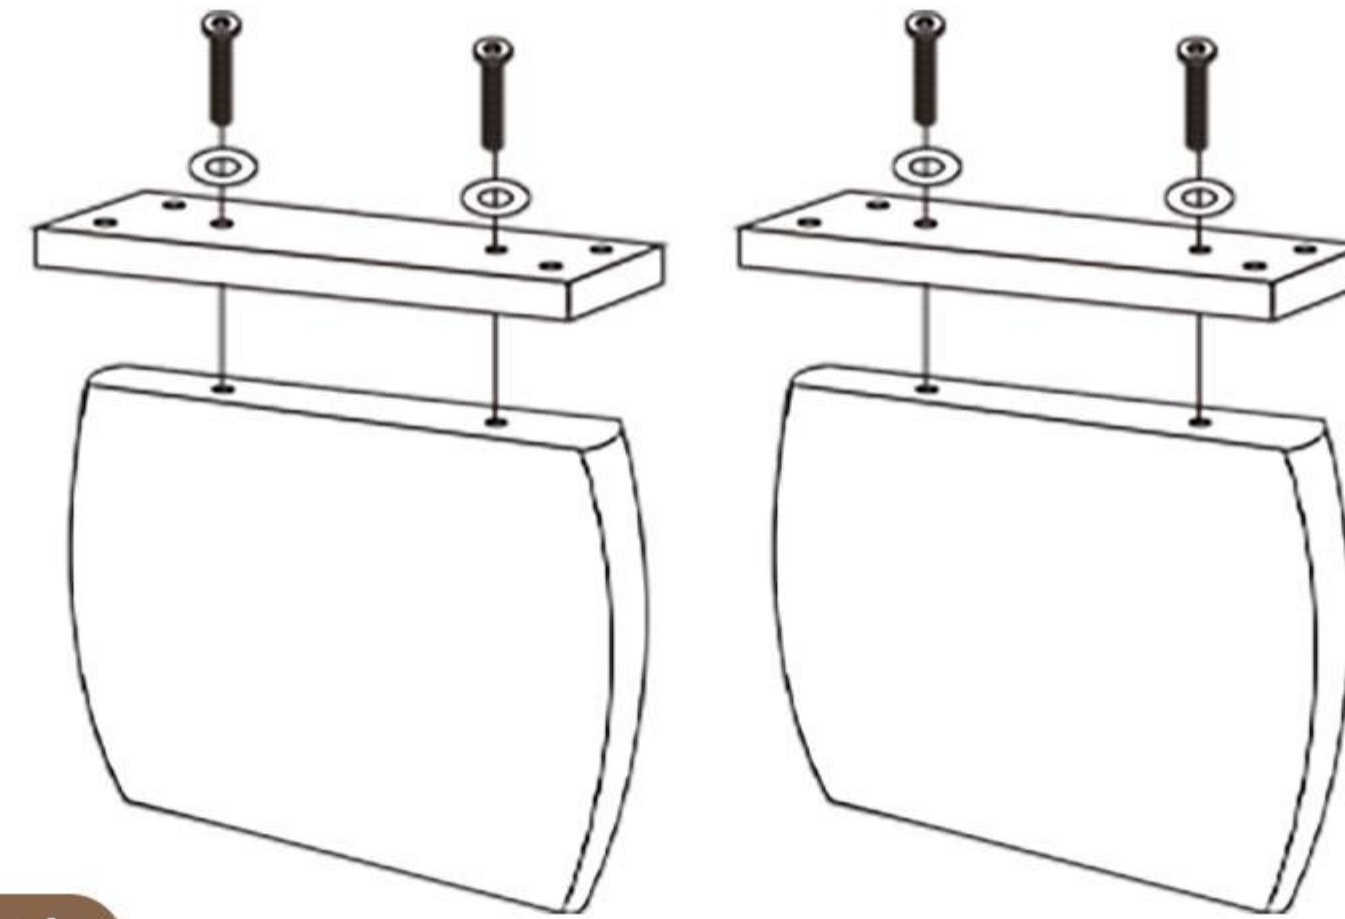

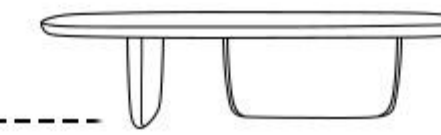

Gasket \* 4pcs

Allen Key \* 1pc

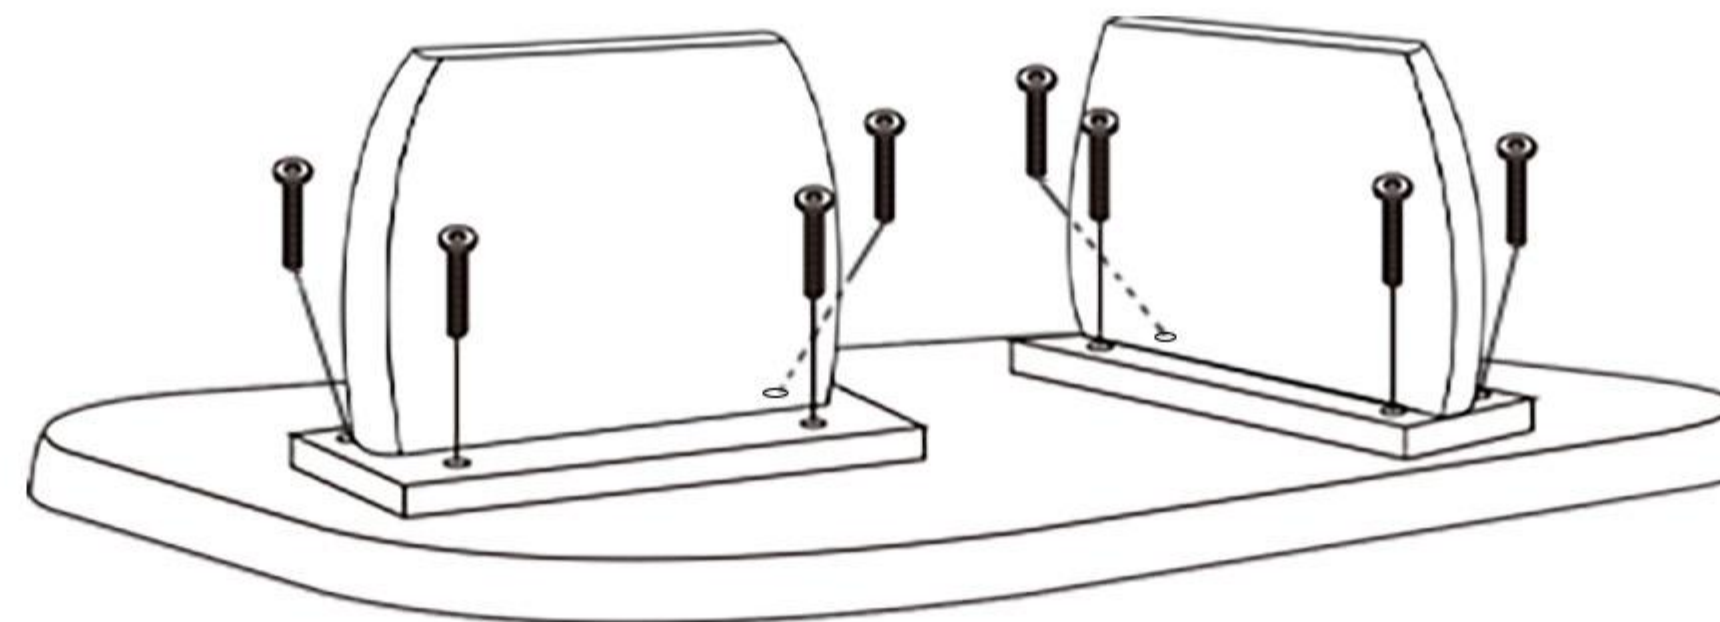

Hardware List

## Installation Steps

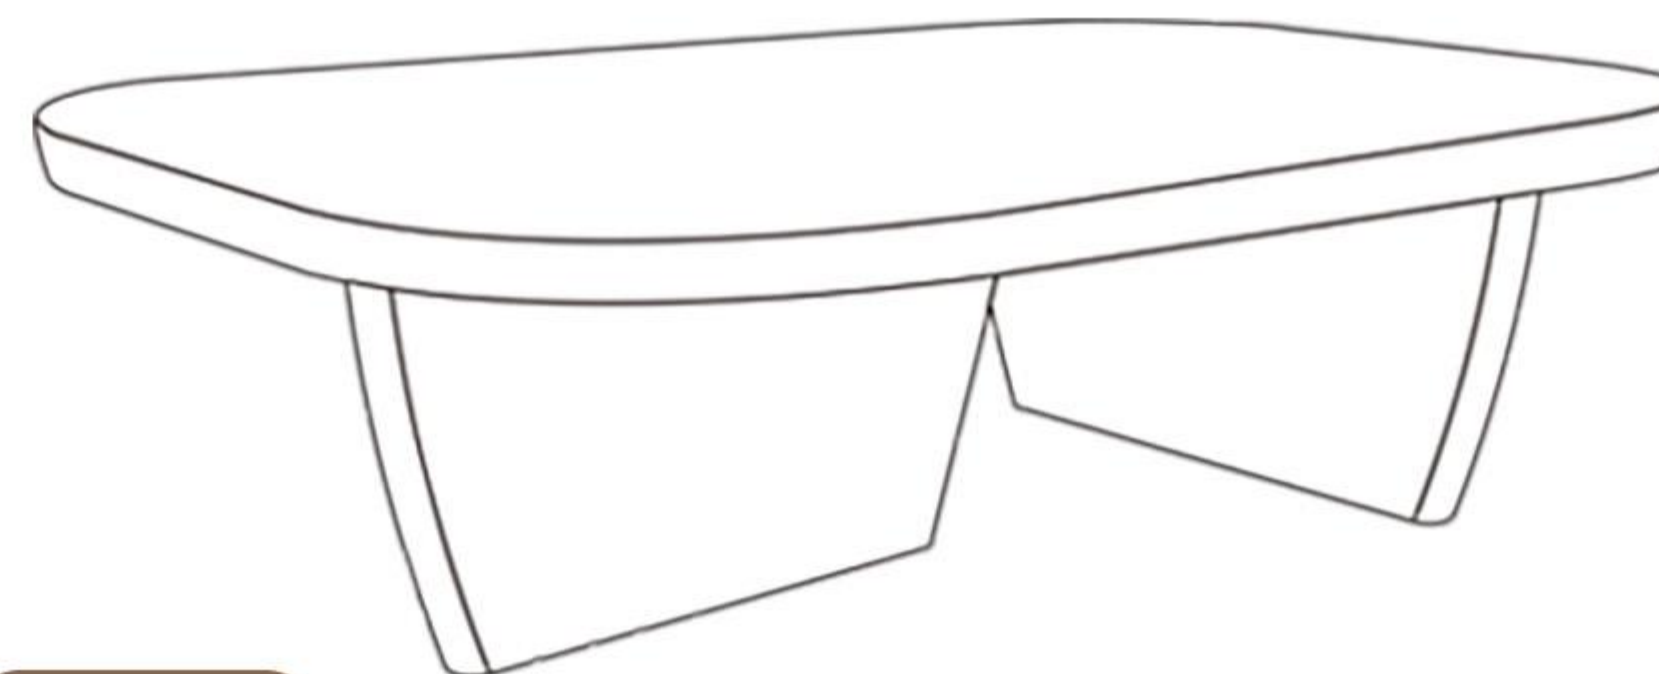

### Step 1

Assemble the stabilizing wooden supports to the table legs with anti-slip pads and screws in the first step

### Step 2

Align the two assembled leg assemblies with the pre-drilled bolt holes on the tabletop, then secure them in place with screws

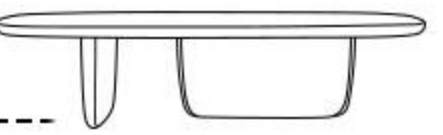

### Step 3

After completing the above steps, simply flip the entire unit over, and you will get a stylish and practical coffee table

### Note:

1. Assemble on soft carpet or cardboard surface to avoid scratching tabletop.
2. Loosely assemble all bolts first, fully tighten only after all parts are aligned.

## Safety Warnings

**CHOKING HAZARD:** Small hardware parts are not for children under 3 years old. Keep all hardware away from kids.

Keep plastic packaging away from children to avoid suffocation hazard. Do not leave packaging unattended.

Do NOT sit, stand, climb or jump on this coffee table.
