2. Install the lamp head on the end of the bracket. Thread the cable along the bracket into the lamp body and connect it to the main cable.  
Pull the main cable out of the lamp body and thread it, along with the hanging chain, into the ceiling mount.

3. Drill holes on the marks and stick the expansion anchors into the holes.  
Fix the mounting bracket to the expansion anchors with self-tapping screws.

4. Hold the fixture close to ceiling.  
Connect live wire to one of the two wires from the fixture body.  
Connect neutral wire to the other wire from the fixture body.

5. Fix the ceiling canopy to the mounting bracket with screws.

Your fixture is now assembled and ready to use.
